DECARBONISATION & RENEWABLE ENERGY STRATEGY REPRESENTATION FORM

On 30th April 2019, the Welsh Government declared a climate emergency. The announcement drew attention in Wales to the magnitude and significance of the latest evidence on climate change.

Tackling climate change requires collective action and in its role as a community leader, landowner, employer, regulatory body and service provider, it is important that the Council leads by example and continues to commit to doing its fair share to reduce carbon emissions to help achieve national targets.

The Council is therefore consulting on its draft **Decarbonisation and Renewable Energy Strategy** – the document outlines the Council's overarching vision, objectives, sets out what the Council has already achieved and identifies the future opportunities that exist. This is your opportunity to tell us what you think about the draft Strategy/Action Plan.

Please complete in BLOCK CAPITALS and in **Black Ink** only.

All forms must be returned by **midday on Tuesday 5th November 2019. Representations received after the deadline will not be accepted.**

By post to: **Nicola Pearce - Head of Planning and Public Protection**
Neath Port Talbot Council, The Quays, Brunel Way,
Baglan Energy Park, Neath, SA11 2GG.

Or e-mail to: greener@npt.gov.uk (an editable version in Word is available to download at www.npt.gov.uk)

Alternatively, you can submit your comments directly online at www.npt.gov.uk/consultation

Please note that representations cannot be treated as confidential. All representations will be made available for public inspection and placed on the Council's website.
