

ARE YOU AGED OVER 50 ?

If you live in Neath Port Talbot and are interested in issues affecting those over 50, would you like to be one of the voices of older people in the area?

The Older Persons' Council is looking for enthusiastic and committed people who are in regular contact with older people in the community.

The Older Persons' Council is a link with those over the age of 50 and the Local Authority, the Welsh Assembly Government and organisations that have an influence over the lives of all older people, on topics such as:

- Health & Well Being
- Community Safety
- Work/Volunteering
- Lifelong Learning
- Care and Accommodation
- Community Involvement

- Would you like to make more use of the awareness, knowledge and skills you have acquired?
- Do you want to have a positive influence over the issues which impact upon your own and fellow older peoples' lives?
