

Neath Port Talbot – Team Around the Family

- Do you live in the NPT County Borough and feel your family needs extra support?
- Are you having difficulties in 2 or more areas? E.g. housing, relationships, school, health etc.)
- Do you have a household member under the age of 25?

You can access TAF through a professional working with your family e.g GP, Headteacher, Health Visitor or you can self-refer by contacting on **01639 686803**

What is TAF?

- TAF provides a service to families who are likely to need help from two or more agencies (e.g. schools, health services, housing).
- TAF brings everyone together with families to identify any needs, and how best to help families use it strengths to meet those needs.
- TAF is a way of identifying who is best placed to offer any of the additional advice and support your family may need.

How does it work?

Once a referral is received then it is sent to the Early Intervention and Prevention Panel to consider the strengths and needs that have been highlighted in the referral.

A decision is then made on whether the case is transferred to Team Around the Family (TAF) or whether a single service from one of the Families First Services and or other support services in NPT is best placed to support you and your family.

What happens next?

Once TAF have received the referral, a member of the team will contact you and arrange a home visit to meet yourselves and your family.

Following this an assessment will be completed to identify the strengths and needs of your family and gain your family views on what support you feel you need.

Once the assessment is completed, the TAF worker will contact other professionals and agencies to arrange a family meeting whereby with your consent, a family support plan will be agreed on how will we support you to achieve your goals.

Confidentiality

The information TAF collect in the assessment will be treated as confidential, however we will ask your permission to share this information with other professionals and support services such as; schools, health professionals, housing.

We will only share your information with people who need to know and after we have had consent, unless we are required by law to share it with others.

How long will you have support?

This will be different for each family, but the Family Support Plan would initially look at support for around 12 weeks and include actions for everyone in the family where needs have been identified and also for the agencies involved.

The plan will be reviewed on a regular basis to ensure that your needs, views and wishes continue to be at the heart of your support plan. This also allows the TAF worker to ensure that you are being given the right support at the right time.

A commitment is needed from everyone to ensure positive changes are made

Gallwch gysylltu â TAF drwy weithiwr proffesiynol sy'n gweithio gyda'ch teulu e.e. meddyg teulu, pennaeth ysgol, ymwelydd iechyd, neu gallwch hunangyfeirio drwy ffonio
01639 686803

Beth yw TAF?

- Mae TAF yn darparu gwasanaeth i deuluoedd y mae'n debygol bod angen cymorth arnynt gan ddwy neu fwy o asiantaethau e.e. ysgolion, gwasanaethau iechyd, tai
- Daw TAF â phawb ynghyd gyda theuluoedd i adnabod anghenion ac i drafod y ffordd orau o ddefnyddio'u cryfderau i ddiwallu'r anghenion hynny
- Mae TAF yn ffordd o adnabod pwy yw'r person gorau i gynnig y cyngor a chymorth ychwanegol y mae eu hangen ar eich teulu

Sut mae'n gweithio?

Ar ôl derbyn atgyfeiriad, caiff ei anfon at y Panel Atal ac Ymyrraeth Gynnar i ystyried cryfderau ac anghenion a amlygwyd yn yr atgyfeiriad.

Yna gwneir penderfyniad ynghylch p'un ai y dylid trosglwyddo'r achos i'r Tîm o Amgylch y Teulu (TAF) neu un gwasanaeth o'r Gwasanaethau Teuluoedd yn Gyntaf a/neu wasanaethau eraill yn CNPT sydd yn y sefyllfa orau i'ch helpu chi a'ch teulu.

Beth sy'n digwydd nesaf?

Unwaith i TAF dderbyn eich atgyfeiriad, bydd aelod o'r tîm yn cysylltu â chi i drefnu ymweliad cartref i gwrdd â chi a'ch teulu.

Yna cwblheir asesiad i adnabod cryfderau ac anghenion eich teulu ac i gael barn eich teulu ar ba gymorth y teimlwch y mae ei angen arnoch.

Ar ôl cwblhau'r asesiad, bydd gweithiwr TAF yn cysylltu â gweithwyr proffesiynol ac asiantaethau eraill i drefnu cyfarfod teulu lle, gyda'ch cydsyniad chi, byddwch yn cytuno ar Gynllun Cymorth Teulu a sut y byddwn yn eich cefnogi i gyflawni'ch nodau.

Cyfrinachedd

Caiff yr wybodaeth y mae TAF yn ei chasglu yn ystod yr asesiad ei thrin yn gyfrinachol, ond byddwn yn gofyn am eich caniatâd i rannu'r wybodaeth hon â gweithwyr proffesiynol a gwasanaethau cymorth eraill, megis ysgolion, gweithwyr iechyd proffesiynol, tai.

Byddwn yn rhannu'ch gwybodaeth â phobl y mae angen iddynt ei gwybod ac ar ôl i chi gydsynio yn unig, oni bai bod gofyniad cyfreithiol i ni ei rhannu ag eraill.

Am ba hyd y byddwch yn cael cymorth?

Bydd hyn yn wahanol i bob teulu, ond bydd y Cynllun Cymorth Teulu fel arfer yn edrych ar oddeutu 12 wythnos o gefnogaeth, a bydd yn cynnwys camau gweithredu i bawb yn y teulu lle adnabuwyd anghenion, a hefyd i'r asiantaethau sy'n rhan o'r Cynllun.

Caiff y Cynllun ei adolygu'n rheolaidd i sicrhau bod eich anghenion, eich barnau a'ch dymuniadau yn ganolog i'ch Cynllun Cymorth o hyd. Mae hyn hefyd yn caniatáu i'r gweithiwr TAF sicrhau eich bod yn derbyn y cymorth cywir ar yr amser cywir.

Mae angen i bawb ymrwymo er mwyn sicrhau newidiadau cadarnhaol.
