NARRATIVE REPORT

1. INTRODUCTION

Neath Port Talbot County Borough covers over 170 square miles. It is home to around 141,000 people living and working in more than 66,000 households in communities across the County Borough. The Council provides many different services to residents and business. We are responsible for maintaining approximately 860 Kilometres of roads, 940 Kilometres of footpaths and over 19,000 street lights within the borough.

Our Services and the Way We Work

The Council provides a number of varied services on a daily basis a number of which are shown below:

Education, Leisure & Lifelong Learning	Social Services, Health & Housing
<ul style="list-style-type: none"> • Primary, Secondary & Special Schools • School Catering • Adult Education • Youth Services • Libraries • Theatres and Leisure 	<ul style="list-style-type: none"> • Homecare • Residential Care • Supporting Children & Vulnerable Adults with Disabilities • Homelessness • Disabled Facility Grants
Environment	Corporate Services
<ul style="list-style-type: none"> • Highways Maintenance • Street Lighting • Building Control • Planning and Economic Development • Waste Management • Food Hygiene and Trading Standards • Pest Control • Cemeteries & Crematoria • Waste Collection, Recycling & Disposal 	<ul style="list-style-type: none"> • Council Tax Support & administration • Licencing • Finance and Human resources • ICT, Customer and Digital Services • Legal Services
Other Housing Services	Other Corporate Services
<ul style="list-style-type: none"> • Housing Benefit Support and Administration 	<ul style="list-style-type: none"> • Precepts, Levies and Contributions • Other Corporate Initiatives

NARRATIVE REPORT

The Council is made up of 64 locally elected councillors who represent 42 divisions of Neath Port Talbot. The constitution sets out how the Council operates, how decisions are made and the procedures which are followed to ensure decision are efficient, transparent and accountable to local people. Council appoint a leader of the Council who appoints Cabinet Members, each with a responsibility for a specific portfolio of services.

The role of Cabinet is:

- to be responsible for most major decisions;
- provide leadership;
- propose the budget framework and subsequent budget.

Scrutiny Committees support the work of the Cabinet and Council by:

- Monitoring decisions of the Cabinet
- Allowing all Councillors, citizens and stakeholders to have a say in matters concerning the Council
- Producing reports and recommendations to support development of policies and decision
- Having the ability to review a decision that has been made but not yet implemented

Regulatory and other committees support delivery of Council services. Council has given Governance & Audit Committee the responsibility to review and approve the Financial Statements of the Council. The Councils Management Team is led by the Chief Executive and includes Corporate Directors and the Chief Finance officer (including the monitoring Officer and Section 151 Officer). They are responsible for:

- providing impartial advice on policy and implementing decisions of the Cabinet and Council; and
- delivery of services and performance

2. ACCOUNTING STATEMENTS

The statement of accounts is made up of a number of statements that are accompanied by explanatory notes. The following paragraphs provide an explanation of the purpose of the information included within these statements.

Statement of Responsibilities

This sets out the respective responsibilities of the Authority and the Section 151 officer for the preparation and approval of the Statement of Accounts.

Expenditure and Funding Analysis

The expenditure and funding analysis starts by showing how annual expenditure is used and funded from resources, such as government grants, council tax and business rates. It then updates this position to show those resources consumed or earned by authorities in accordance with generally accepted accounting practices. It also shows how this expenditure is allocated for decision making purposes between directorates, which reflect the Council's management structure. Income and expenditure accounted for under generally accepted accounting practices is presented more fully in the comprehensive income and expenditure statement.

NARRATIVE REPORT

Comprehensive Income and Expenditure Statement

This shows the accounting cost in the year of providing services in accordance with generally accepted accounting practices, rather than the amount to be funded from taxation. Authorities raise taxation to cover expenditure in accordance with regulations and this may be different from the accounting cost. The taxation position is shown in the movement in reserves statement.

Movement in Reserves Statement

This shows the movement in the year on the different reserves held by the Authority, analysed into usable reserves, that is, those that can be applied to fund expenditure or reduce local taxation and other unusable reserves. The surplus or deficit on the provision of services line shows the true economic cost of providing the Authority's services, more details of which are shown in the comprehensive income and expenditure statement. These are different from the statutory amounts required to be charged to the general fund balance.

Balance Sheet

This shows a snapshot of the Authority's assets, liabilities, cash balances and reserves at the year-end date. The net assets of the Authority (assets less liabilities) are matched by the reserves held by the Authority.

Cash Flow Statement

This shows the changes in cash and cash equivalents of the Authority during the reporting period. The statement shows how the Authority generates and uses cash and cash equivalents by classifying cash flows as operating, investing and financing activities. The amount of net cash flows arising from operating activities is a key indicator of the extent to which the operations of the Authority are funded by way of taxation and grant income or from the recipients of services provided by the Authority. Investing activities represent the extent to which cash outflows have been made for resources which are intended to contribute to the Authority's future service delivery. Cash flows arising from financing activities are useful in predicting claims on future cash flows by providers of capital borrowing to the Authority.

NARRATIVE REPORT

3. REVENUE SPENDING IN 2021/22

The Authority's budget requirement for 2021/22 was set at £316.246m Actual spending compared to the budget was as follows:

Neath Port Talbot Management Accounts	Revised Budget £000	Actual £000
Expenditure		
Directly Controlled Expenditure	269,154	268,856
Capital Financing	19,667	19,667
Levies, Contributions and Miscellaneous Funds	8,335	8,334
Council Tax Support	19,835	19,035
Contingencies and Reserves	(745)	3,733
Net expenditure	316,246	319,625
Income		
Revenue Support Grant / NNDR	(236,681)	(239,050)
Council Tax	(79,952)	(80,914)
Less Discretionary Rate Relief	387	224
Total Income/Budget Requirement	(316,246)	(319,740)
NET BUDGET (SURPLUS)/DEFICIT TO BALANCES	0	(115)
General Fund Working Balance		
Opening Working Balance 1st April		(20,036)
Movement in Working Balance		(115)
Closing Working Balance 31st March		(20,151)

4. CAPITAL SPENDING IN 2021/22

	Actual £000
Capital Investment	70,623
The expenditure was financed by:	
Government Grants and Other Contributions	(48,104)
Loans	(17,016)
Capital Receipts	(2,693)
Direct Revenue Contributions and Reserves	(2,810)
	(70,623)

The capital investment figure of £70.623 includes £69.963m incurred directly by the Council and £660k incurred on behalf of the Council by Caerphilly CBC. Caerphilly CBC are acting on behalf of all Welsh Authorities in purchasing schools ICT infrastructure as part of the Welsh Governments HWB Programme. Whilst the expenditure is being incurred by Caerphilly, for accounting purposes each Authority is required to reflect their element within their Statement of Accounts.

NARRATIVE REPORT

5. EXTERNAL DEBT

At the year end, the Authority's total external debt was £310.517m which excludes accrued interest of £2.821m that is included within debt in the balance sheet. Sources of borrowing include the Public Works Loan Board and banks for long term borrowing and other financial institutions for short term borrowing.

6. RESERVES AND BALANCES AT 31ST MARCH 2022

The Authority holds both General and Earmarked Reserves. Earmarked reserves are set aside to support specified future revenue expenditure while the General Reserve is available to support the Authority against unexpected events and emergencies. Reserves held by the authority are as follows:

	Actual £000
Earmarked Reserves to Support Revenue Expenditure	84,623
General Reserve Working Balances	20,151
Total General Reserve Balance	104,774

7. REVALUATION OF ASSETS

The net book value of assets increased during 2021/22 by £152.597m. There was a £125.961m gain relating to the revaluation of assets undertaken by the Director of Environment / Strategic Property and Valuation Manager.

The Authority's property, plant and equipment are valued on a five year rolling programme by the Director of Environment / Strategic Property and Valuation Manager in accordance with the Royal Institute of Chartered Surveyors Statements of Asset Valuation Practice.

The significant assumption applied when estimating the fair value of property, plant and equipment is that the asset will continue in its existing use. Where there is a market value for the asset, its value will be determined with reference to the market, but in instances where no market exists for an asset, depreciated replacement cost, which is the current cost of replacing an asset with the modern equivalent asset less deductions for physical deterioration and all relevant forms of obsolescence and optimisation, will be used as the basis of valuation.

During 2021/22, the following categories of assets were revalued:

- Schools were valued as at 1st February 2022 on a Current Value Depreciated Replacement Cost basis;
- Libraries were valued as at 1st December 2021 on a Current Value Depreciated Replacement Cost basis;
- Museums were valued as at 1st December 2021 on a Current Value Depreciated Replacement Cost basis;
- Depots, Stores & Workshops were valued as at 1st December 2021 on a Current Value Depreciated Replacement Cost and a Current Value Existing Use Valuation basis;

NARRATIVE REPORT

- Civic Office Buildings were valued as at 1st December 2021 on a Current Value Depreciated Replacement Cost and a Current Value Existing Use Valuation basis.

During 2021-22 not all assets valued under the Depreciated Replacement Cost basis have been fully revalued, only those in the current cycle were revalued in line with our accounting policy, whilst those assets not within the current cycle were only partially revalued. This partial revaluation exercise was undertaken to more accurately reflect the current economic climate and the increase in construction costs relating to these asset valuations.

Assets held for sale are valued annually and six assets with a value of £1.980m were valued at 31st March 2022.

8. INTERNATIONAL ACCOUNTING STANDARD 19 - PENSIONS

The accounts comply with the requirements of the above standard with the revenue accounts reflecting the current year cost of pension provision to employees as advised by the pension fund actuary. The balance sheet contains the actuary's assessment of the Authority's share of the pension fund liability at 31st March.

The pension fund liability disclosed in the balance sheet is the total projected deficit that exists over the expected life of the fund. This deficit changes on an annual basis dependent on the performance of investments and the actuarial assumptions that are made in terms of current pensioners, deferred pensioners and current employees.

9. SIGNIFICANT PROVISIONS

The Authority holds three significant provisions:

- An insurance provision of £2.815m to cover the likely cost of settling outstanding insurance liabilities. This is made up of a long term provision of £1.706m and a short term provision of £1.109m.
- A provision of £0.923m for housing warranties following the transfer of the Housing stock to Tai Tarian in March 2011.
- A provision of £0.148m to provide the costs of early retirements and redundancies which have been agreed by 31st March 2022, with leaving dates during 2022/23

10. GROUP ACCOUNTS

There is a requirement for local authorities to produce group accounts to recognise material financial or controlling interests in companies, voluntary organisations, public bodies, etc. An assessment was made of all such interests and this did not identify any relationship which is considered material, therefore, group accounts have not been prepared.

NARRATIVE REPORT

11. IMPACT OF CURRENT ECONOMIC CLIMATE ON THE AUTHORITY

2021/22 has been another extraordinary year due to Covid-19, and the past 24 months has had an extensive impact on communities, our local economy and the way in which the Council works.

This has provided the Council with an opportunity to reset and renew our wellbeing objectives, priorities, vision and relationships taking into account:

- What matters to local people, businesses and our staff;
- The impact that we know Covid-19 has had on our communities, our local economy and wider stakeholders;
- The lessons we have learned from our pandemic reasons and from elsewhere; and
- Other anticipated changes in our external environment (e.g. climate change, digital disruption, financial settlements and government policy).

The draft Corporate plan for 2022-2027 sets out how we will approach recovery in the short, medium and longer term and has been informed by many residents, employees, elected members, community organisations, business and other partners. A considerable amount of evidence has also been used to understand how things have changed as a result of the pandemic including wider influences, like climate change, digital disruption and government policy. All of this information has been brought together to reset and renew the Council's wellbeing objectives, priorities, vision, values and relationships. These priorities have been reflected in the 2022/23 revenue and capital budgets.

The Council continues to operate in an environment where further savings, cuts and income generation proposals are required to set its annual budget. It involves stakeholders as part of its consultation process to help to identify the savings required.

In setting the budget, Members consider the requirement of delivering its statutory services, as well as those other services that the public and users have come to expect. The challenge is to set a budget at activity levels that are sustainable and equitable. Members also have to consider the demand for services and changes to these services in light of the impact on:

- Service users
- Employees
- Legislation including the Equality Act 2010 and Wellbeing of Future Generations (Wales) Act 2015 considerations
- Income generation
- Council tax level

NARRATIVE REPORT

The Council has set a budget of £338.015m for 2022/23. This includes increased funding from the Welsh Government of 8.8% and the use of £2.8m from specific reserves to underpin the budget and support Covid recovery initiatives together with a zero increase in council tax. It is critical that as we recover from Covid-19 that we receive confirmation of multi-year funding to enable us to set medium term financial plans for the Council. The Welsh Government has provided indicative funding announcements for the next three financial years. During 2022 a Medium Term Financial Plan will be developed which will be the means through which the revenue and capital resources likely to be available will be aligned with the longer term actions set out in the Strategic Change and priorities of the new administration from May 2022.

During 2021/22 the Council was reimbursed by the Welsh Government Hardship Fund £15.471m for increased costs and loss of income. The Council also administered schemes on behalf of the Welsh Government to pay grants to businesses and individual recipients totalling £12.414m. The total amount of financial support from the WG and Health received by the Council in 2021/22 to fund our activities and support our communities and businesses total £32.982m. Further details can be found in note 38.

12. CHANGE IN ACCOUNTING POLICIES

Changes in accounting policies are made when required by proper accounting practices or the change provides more reliable or relevant information about the effect of transactions, other events and conditions on the Authority's financial position or financial performance.

13. FURTHER INFORMATION

Further information relating to the accounts can be obtained from the Chief Finance Officer, Neath Port Talbot County Borough Council, Civic Centre, Port Talbot, SA13 1PJ.

THE AUTHORITY'S RESPONSIBILITIES

The Authority is required to:

- Make arrangements for the proper administration of its financial affairs and to secure that one of its officers has the responsibility for the administration of those affairs. In this Authority, that officer is the Chief Finance Officer;
- Manage its affairs to secure economic, efficient and effective use of resources and safeguard its assets;
- Approve the statement of accounts.

CHIEF FINANCE OFFICER RESPONSIBILITIES

The Chief Finance Officer is responsible for the preparation of the Authority's statement of accounts in accordance with proper practice as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom (the Code).

In preparing this statement of accounts, the Chief Finance Officer has:

- selected suitable accounting policies and then applied them consistently;
- made judgements and estimates that were reasonable and prudent;
- complied with the local authority Code.

The Chief Finance Officer has also:

- kept proper accounting records which were up to date;
- taken reasonable steps for the prevention and detection of fraud and other irregularities;
- ensured that the accounts show a true and fair view of the financial position of the Authority as at the date of preparation and of its expenditure and income for the year ended 31st March 2022.

I Certify that the statement of accounts presents a true and fair view of the financial position of Neath Port Talbot Council as at the 31 March 2022 and of its income and expenditure for the year ended 31 March 2022

Chief Finance Officer (Section 151 Officer)
3 January 2023

Chair of Governance and Audit Committee
12 January 2023

10,415	Interest Paid	10,243

NOTES TO THE ACCOUNTS

1. ACCOUNTING POLICIES

i. General Principles

The statement of accounts summarises the Council's financial transactions for 2021/22 and its position at 31st March 2022. The Council is required to prepare an annual statement of accounts by the Accounts and Audit (Wales) Regulations 2014 (as amended by The Accounts and Audit (Wales) (Amendment) Regulations 2018), in accordance with proper accounting practices. These practices primarily comprise the Code of Practice on Local Authority Accounting in the United Kingdom 2021/22, supported by International Financial Reporting Standards (IFRS).

The accounts are prepared on a going concern basis.

ii. Recognition of Income and Expenditure

Activity is accounted for in the year that it takes place, not when cash payments are made or received. In particular:

- revenue from contracts with service recipients, whether for services or the provision of goods, is recognised when the goods or services are transferred to the service recipient in accordance with the performance obligations in the contract.
- supplies are recorded as expenditure when they are consumed. Where there is a gap between the date supplies are received and their consumption, they are carried as inventories on the balance sheet.
- services received (including employees services) are recorded as expenditure when the services are received, rather than when payments are made.
- interest receivable on investments and payable on borrowing is accounted for respectively as income and expenditure on the basis of the effective interest rate for the relevant financial instrument, rather than the cash flows fixed or determined by the contract.
- Government grants and third party contributions are recognised when there is reasonable assurance that the Council will comply with any conditions attached to the payments, and that grant monies and contributions will be received. Where conditions attached to grants and contributions remain outstanding, monies received to date are carried forward in the balance sheet as creditors (receipts in advance) until the conditions have been satisfied.
- where revenue and expenditure have been recognised, but cash has not been received or paid, a debtor or creditor for the relevant amount is recorded in the balance sheet. Where debts are not considered collectable, the balance is reduced by a provision for doubtful debts.

iii. Changes in accounting policies and prior period adjustments

Changes in accounting policies are only made when required by proper accounting practices or the change provides more reliable or relevant information about the effect of transactions, other events and conditions on the Council's financial position or financial performance. Where a change is made, it is applied retrospectively, unless stated otherwise, by adjusting opening balances and comparative amounts for the prior period as if the new policy had always been applied.

NOTES TO THE ACCOUNTS

iv. **Property, Plant and Equipment**

Assets that have physical substance and are held for use in the production or supply of goods or services, for rental to others, or for administrative purposes and that are expected to be used during more than one financial year are classified as property, plant and equipment.

Expenditure on the acquisition, creation or enhancement of property, plant and equipment is capitalised on an accruals basis subject to a de-minimus limit of £10,000, provided that it is probable that the future economic benefits or service potential associated with the item will flow to the Council and the cost of the item can be measured reliably. Expenditure that maintains, but does not add to an asset's potential to deliver future economic benefits or service potential, such as repairs and maintenance, is charged as an expense when it is incurred.

Assets are initially measured at cost, comprising of the purchase price and any costs attributable to bringing the asset to an operational condition. The Council does not capitalise borrowing costs incurred whilst assets are under construction.

The cost of assets acquired other than by purchase is deemed to be its fair value, that is estimated at highest and best use from a market participant's perspective. Where an asset is acquired via an exchange, the cost of the acquisition is the carrying amount of the asset given up by the Council.

Assets are carried in the balance sheet using the following measurement basis:

Asset type	Measurement basis	Revaluation year	Depreciation basis (straight line unless not finite usable life)
Other operational land and buildings	Existing use value or depreciated replacement cost if no market based evidence.	Rolling programme across five years	Land n/a Buildings 3 to 40 years
Vehicles, Plant, Furniture and Equipment	Existing use value or depreciated historical cost if of low value or short life.	n/a	5 to 20 years
Infrastructure assets	Depreciated historical cost	n/a	40 years
Community assets	Depreciated historical cost	2024/25	5 to 40 years
Surplus assets	Fair value	2025/26	5 to 40 years
Assets under construction	Depreciated historical cost	n/a	n/a
Assets held for sale	Revalued immediately before reclassification	Annually	n/a
School assets	Depreciated replacement cost (modern equivalent asset)	2021/22	Land n/a Buildings usually 50 years, though varied for agreed closures
Service Concession	Existing use value or depreciated replacement cost if no market based evidence.	2022/23	Land n/a Buildings 3 to 40 years

NOTES TO THE ACCOUNTS

Revaluations

The Council's internal valuer undertake this exercise in accordance with the professional standards of the Royal Institution of Chartered Surveyors. Assets included in the balance sheet at current value are revalued sufficiently regularly to ensure that their carrying amount is not materially different from their current value at the year end, but as a minimum every five years. The Council must balance the requirement to include asset values at their fair or current value each year end with the costs involved in providing valuations. To ensure the information is materially correct, the Council valuer undertake an annual review to identify any significant impairments or change in the usage of assets.

The revaluation reserve contains revaluation gains recognised since 1st April 2007 only, the date of its formal implementation. Gains arising before that date have been consolidated into the capital adjustment account.

Impairment and Downward Revaluation

Assets are assessed at each year end as to whether there is any indication that an asset may be impaired in value because of a change in service potential or significant and permanent changes to the market value.

- Where there is a balance of revaluation gains for the asset in the revaluation reserve, the carrying amount of the asset is written down against that balance (up to the amount of the accumulated gains).
- Where there is no balance in the revaluation reserve, the carrying amount of the asset is written down against the relevant service lines in the comprehensive income and expenditure statement.

Where an impairment loss is reversed subsequently, the reversal is credited to the relevant service lines in the comprehensive income and expenditure statement, up to the amount of the original loss, adjusted for depreciation that would have been charged if the loss had not been recognised.

Disposals

When an asset is disposed of or decommissioned, the carrying amount of the asset in the balance sheet is written off to the other operating expenditure line in the CIES against any receipts arising from the disposal as a gain or loss on disposal. If more than £10,000 is received at disposal, this is treated as a capital receipt and kept in a reserve that can only be used for capital purposes.

Componentisation

Where a single asset may have a number of different components, each having a different useful life, three factors are taken into account to determine whether a separate valuation of components is to be recognised in the accounts in order to provide an accurate figure for depreciation. These factors are:

- materiality with regards to the Council's financial statements. Componentisation will only be considered for individual non land assets that have a net book value of more than £2.5m or 0.5% of total net book value.
- significance of component. For individual assets meeting the above threshold, where services within a building, such as boilers, heating, lighting, ventilation, etc., are a material component of the cost of that asset, i.e. greater than 30%, then those services will be valued separately on a component basis.
- difference in rate or method of depreciation compared to the overall asset. Only those elements that normally depreciate at a significantly different rate from the non-land element as a whole, or that require a different method of depreciation will be identified for componentisation.

NOTES TO THE ACCOUNTS

Assets that do not meet the test above can be disregarded for componentisation on the basis that any adjustment to depreciation charges would not result in a material misstatements in the accounts.

v. Charges to Revenue for Non-Current Assets

Services are charged the following amounts to record the cost of holding non-current assets during the year:

- depreciation attributable to the assets used by the relevant service.
- revaluation and impairment losses on assets used by the service where there are no accumulated gains in the revaluation reserve against which the losses can be written off.

vi. Financial Instruments

These are recognised in the balance sheet when the Council becomes a party to the contractual provisions and are initially measured at fair value.

Financial liabilities are carried at their amortised cost. For most of the Council's borrowing, it means that the amount presented in the balance sheet is the outstanding principal repayable, plus accrued interest. Annual interest, which is the amount payable for the year according to the loan agreement, is charged to the financing and investment income and expenditure line within the comprehensive income and expenditure statement. The Council has spread the cost of historical premiums and discounts arising from debt rescheduling over the term of the replacement loan. The reconciliation of amounts charged to the comprehensive income and expenditure statement to the net charge required against the general fund balance is managed by a transfer to or from the financial instruments adjustment account in the movement in reserves statement.

Financial assets are classified to reflect the business model for holding the financial assets and their cash flow characteristics and are held at fair value. The Council's investments at 31st March 2022 had no impairment allowance included for these financial assets, as the risk is immaterial. The Council's debtor position, excluding council tax, is included within the financial assets statement. These debts have been reviewed and although there is no significant financing component, funds are set aside for any potential impairment based on a collective assessment of the value and age of the outstanding debt.

vii. Heritage Assets

Heritage assets are defined as assets that have historical, artistic, scientific, technological, geographical or environmental qualities, which are held and maintained principally for their contribution to knowledge and culture.

The Council holds heritage assets on the balance sheet in relation to works of art. Assets are included when an insurance valuation has been undertaken and the valuation for the individual asset is £5,000 or more. In the absence of historic cost, the insurable sum is deemed as an appropriate and relevant method of valuation, with the last valuation undertaken by Sotheby's in 2014. These items are considered to have indeterminate lives and a high residual value, consequently the Council does not consider it appropriate to charge depreciation.

NOTES TO THE ACCOUNTS

viii. Leases

Leases are classified as finance leases where the terms of the lease transfer substantially all the risks and rewards incidental to ownership of the property, plant or equipment from the lessor to the lessee. All other leases are classified as operating leases.

The Council holds one finance lease, as a lessee, for other land and buildings, which is recognised on the balance sheet. This is matched by a liability for the obligation to pay the lessor.

Where the Council grants an operating lease as a lessor for property or land, the asset is retained in the balance sheet and rental income is credited to the comprehensive income and expenditure statement.

ix. Service Concessions

These are agreements for services, where the responsibility for making available the property, plant and equipment needed to provide the services passes to the contractor. The Council is deemed to control the services provided under the contract and as ownership of the assets will pass to them at the end of the contract period, the Council carries the assets on its balance sheet as part of property, plant and equipment.

Further details of service concession costs and liabilities can be found in note 32.

x. Revenue Expenditure Funded from Capital Under Statute

Legislation requires defined items of revenue expenditure charged to services within the comprehensive income and expenditure statement to be treated as capital expenditure. This is transferred from the general fund balance via the movement in reserves statement to the capital adjustment account and is included in the capital expenditure and financing disclosure at note 31.

xi. Cash and Cash Equivalents

Cash includes cash in hand, overnight deposits and bank overdrafts. Cash equivalents can be quickly converted to known amounts of cash with low risk of change in value. Cash equivalents held as part of treasury management operations are included as short term investments.

xii. Employee Benefits

Short term employee benefits such as wages and salaries, paid annual leave, sick leave and expenses are paid on a monthly basis and reflected as expenditure on an accruals basis in the relevant service line in the comprehensive income and expenditure statement.

Termination benefits are amounts payable as a result of a decision by the Council to terminate an officer's employment before the normal retirement date or an officer's decision to accept voluntary redundancy. They are charged on an accruals basis to the comprehensive income and expenditure statement.

NOTES TO THE ACCOUNTS

xiii. Retirement Benefits

The Council participates in two formal pension schemes, the Local Government Pensions Scheme, which is administered by the City and County of Swansea Pension Fund and the Teachers' Pension Scheme, administered by the Teachers Pension Agency. Both schemes provide defined benefits to members (retirement lump sums and pensions), earned as employees who worked for the Council.

The nature of the teachers' scheme prevents the Council's individual share of the pension liability from being separately identified. The scheme is therefore accounted for as if it were a defined contribution scheme.

The Local Government Pension Scheme is accounted for as a defined benefits scheme as follows:

- i. The assets attributable to the Council are measured at fair value at the balance sheet date, after deducting accrued expenses. The attributable liabilities are valued on an actuarial basis using the projected unit method, which assesses the future liabilities of the fund discounted to their present value. Net pension assets are recognised only to the extent that the Council is able to recover a surplus, either through reduced contributions in the future or through refunds from the scheme. Unpaid contributions to the schemes are recorded as creditors due within one year.
- ii. For pension charges, the change in defined benefit asset or liability is analysed and charged to the comprehensive income and expenditure statement as follows:
 - Current service cost, past service cost and gains / losses on curtailments and settlements are included within Cost of Services;
 - Net interest on the net defined benefit liability is included within financing and investment income and expenditure; and
 - Actuarial gains / losses are incorporated within other comprehensive income and expenditure.

Further details for pensions can be found in notes 34 and 35.

xiv. Interest in Companies and Other Entities

The Council holds no material value interests in companies and other entities that have the nature of subsidiaries, associates and jointly controlled entities and therefore there is no requirement to prepare group accounts. Transactions for the Council's companies are included within the Council's own single entity accounts.

xv. Inventories

Inventories are included in the balance sheet at average purchase price or latest purchase price, which is a departure from normal practice which values stock at the lower of cost or net realisable value. The effect of this departure is not material.

xvi. Overhead and Support Costs

The costs of overheads and support services are charged to services in accordance with the Council's arrangements for accountability and financial performance.

xvii. Provisions, Contingent Liabilities and Contingent Assets

Provisions are based on the Council's obligations arising from a past event, the probability that a transfer of economic benefit will take place and when a reliable

NOTES TO THE ACCOUNTS

estimate can be made of the value of the obligation. They are charged to the appropriate service revenue account in the year the obligation becomes known and are reviewed at each balance sheet date.

Contingent liabilities and assets are included where an event has taken place that gives a possible obligation or asset arising from past events, which will only materialise if certain events not wholly within the control of the Council take place. They are not recognised in the balance sheet, but disclosed in a note to the accounts when material.

xviii. Reserves

Usable reserves are set aside for future policy purposes or contingencies.

Unusable reserves are kept to manage the accounting processes for non-current assets, financial instruments and retirement and employee benefits and do not represent usable resources for the Council.

xix. Schools

Schools assets, liabilities, reserves, transactions and cash flows are included in the Council's financial statements, which complies with the accounting Code.

xx. Value Added Tax (VAT)

VAT payable is excluded from spend except when it cannot be recovered from HMRC. VAT receivable is excluded from income.

2. ACCOUNTING STANDARDS ISSUED BUT NOT YET ADOPTED

The Code of Practice requires that the Council disclose information relating to the anticipated impact of any accounting change required by a new standard that has been issued but not yet adopted by the Code. This requirement applies to the adoption of the following new or amended standards.

IFRS 16 Leases was due to be implemented during 2020/21 however CIPFA/LASAAC have agreed to further defer the implementation until the 2024/25 financial year, this aligns with the governments Financial Reporting Advisory Board proposals, however the Code will allow for the adoption before this date.

The 2022/23 Code introduces changes arising from the accounting guidance in relation to:

- Annual improvements to IFRS Standards 2018-2020. The annual IFRS improvement programme notes 4 changed standards.
 - IFRS1 – amendment relates to foreign operations of acquired subsidiaries transiting to IFRS
 - IAS 37 – provides clarification on the intention of the standard
 - IFRS16 (Leases) – removal of an example not referenced in the Code
 - IAS41 (agriculture) one of a small number of IFRSs that are only expected to apply to local authorities in limited circumstances.
- Property, Plant and Equipment IAS 16 – amendments to proceeds before intended use

NOTES TO THE ACCOUNTS

None of the matters covered in the annual improvements and IFRS amendments are expected to materially affect this Council.

The Code requires implementation after 1st April 2022, there is therefore no impact on the 2021/22 statement of accounts.

3. ASSUMPTIONS MADE ABOUT THE FUTURE AND OTHER MAJOR SOURCES OF ESTIMATION UNCERTAINTY

The statement of accounts contains estimated figures that are based on assumptions made by the Council about the future or that are otherwise uncertain. Estimates are made taking into account historical experience, current trends and other relevant factors. However, because balances cannot be determined with certainty, actual results could be materially different from the assumptions and estimates.

The items in the Council's balance sheet at 31st March 2022, for which there is a significant risk of material adjustment in the forthcoming financial year, are as follows:

Provisions – Insurance Claims

The Council has a provision of £2.815m as at 31st March 2022 to meet the potential cost of insurance liabilities. The number and value of potential claims includes actuarial assumptions particularly in respect of the most recent financial years, as these are immature in terms of insurance experience. Any significant change in assumptions and/or number and value of claims could significantly alter the value of the provision. The Council holds insurance reserves to mitigate any risk.

Pensions Liability

Estimation of the net liability to pay pensions depends on a number of complex judgements relating to the discount rate used, the rate at which salaries are projected to increase, changes in retirement ages, mortality rates and expected returns on pension fund assets. A firm of consulting actuaries was engaged to provide the Council with expert advice and assumptions and the various costings and disclosures necessary to comply with the code of practice. If any of the assumptions change as a result of actual experience then the net liability of the Council would increase or decrease as a result.

NOTES TO THE ACCOUNTS

4. NOTE TO THE EXPENDITURE AND FUNDING ANALYSIS

These adjustments are made to present the Council's accounts on an accounting and funding basis in accordance with generally accepted accounting practices. Further details in relation to these adjustments can be found in the "Adjustments between accounting basis and funding basis under regulations" note 6 below.

	2021/22			
	Adjustments for Capital Purposes	Net Charge for Pensions	Other Differences	Total Adjustments
	£000	£000	£000	£000
Education, Leisure & Lifelong Learning	(22,771)	8,471	502	(13,798)
Social Services, Health & Housing	2,512	6,948	(1,375)	8,085
Environment	14,178	5,614	(848)	18,944
Corporate Services	917	3,273	(492)	3,698
Other Housing Services	-	-	145	145
Other Central Services	(10,354)	744	(120)	(9,730)

NOTES TO THE ACCOUNTS

5. EXPENDITURE AND INCOME ANALYSED BY NATURE

The following table discloses the nature of expenses and income, analysing the comprehensive income and expenditure on a subjective basis. These figures include the expenditure and income for all schools, which follows the reporting requirements stipulated by the Code of Practice.

2020/21 £000		2021/22 £000
	Expenditure	
219,078	Employee Benefits	245,723
239,969	Other Service Expenses	251,927
31,720	Depreciation, Amortisation and Impairment	(13,817)
21,619	Interest Payable	22,134
23,274	Precepts and Levies	24,368
(629)	Gain on the Disposal of Assets	(168)
535,031	Total Expenditure	530,167
	Income	
(52,309)	Fees, Charges and Other Service Income	(64,546)
(251)	Interest and Investment Income	(167)
(139,795)	Income from Council Tax, National Non Domestic Rates	(145,661)
(357,832)	Government Grants and Contributions	(375,113)
(550,187)	Total Income	(585,487)
(15,156)	(Surplus) / Deficit for Year	(55,320)

The total income for fees, charges and other service income identified in the table above is collected from the following service segments, which reflect the Council's management structure:

2020/21 £000		2021/22 £000
	Income	
(5,484)	Education, Leisure & Lifelong Learning	(10,335)
(24,519)	Social Services, Health & Housing	(28,028)
(14,273)	Environment	(17,120)
(2,000)	Corporate Services	(2,152)
(6,033)	Other Central Services	(6,911)
(52,309)	Fees, Charges and Other Service Income	(64,546)

NOTES TO THE ACCOUNTS

6. ADJUSTMENTS BETWEEN ACCOUNTING BASIS AND FUNDING BASIS UNDER REGULATIONS

This note details the adjustments that are made to the total comprehensive income and expenditure recognised by the Council in the year in accordance with proper accounting practice to the resources that are specified by statutory provisions as being available to the Council to meet future capital and revenue expenditure.

The following sets out a description of the reserves that the adjustments are made against.

General Fund Balance

The general fund is the statutory fund into which all the receipts of the Council are required to be paid and out of which all liabilities of the Council are to be met, except to the extent that statutory rules might provide otherwise. These rules can also specify the financial year in which liabilities and payments should impact on the general fund balance, which is not necessarily in accordance with proper accounting practice. The general fund balance therefore summarises the resources that the Council is statutorily empowered to spend on its services or on capital investment at the end of the financial year.

Capital Receipts Reserve

The capital receipts reserve holds the proceeds from the disposal of land or other assets, which are restricted by statute from being used other than to fund new capital expenditure or to be set aside to finance historical capital expenditure. The balance on the reserve shows the resources that have yet to be applied for these purposes at the year end.

Capital Grants Unapplied

The capital grants unapplied account holds the grants and contributions received towards capital projects for which the Council has met the conditions that would otherwise require repayment of the monies but which have yet to be applied to meet expenditure. The balance is restricted by grant terms as to the capital expenditure against which it can be applied and/or the financial year in which this can take place.

NOTES TO THE ACCOUNTS

	Usable reserves			
	General fund balance	Capital receipts reserve	Capital grants unapplied	Movement in unusable reserves
2021/22	£000	£000	£000	£000
Adjustments primarily involving the capital adjustment account				
<i>Reversal of items debited or credited to the comprehensive income and expenditure statement:</i>				
Charges for depreciation and impairment of non current assets	26,128	-	-	(26,128)
Revaluation (gains) / losses on property, plant and equipment	(39,945)	-	-	39,945
Capital grants and contributions applied	(47,620)	-	-	47,620
Revenue expenditure funded from capital under statute	17,515	-	-	(17,515)
Amounts of non current assets written off on disposal or sale as part of the gain/loss on disposal to the comprehensive income and expenditure statement	2,344	-	-	(2,344)
<i>Insertion of items not debited or credited to the comprehensive income and expenditure statement:</i>				
Statutory provision for the financing of capital investment	(10,498)	-	-	10,498
Capital expenditure charged against the general fund	(2,810)	-	-	2,810
Adjustments primarily involving the capital grants unapplied account:				
Capital grants and contributions unapplied credited to the comprehensive income and expenditure statement	(6,907)	-	6,907	0
Application of grants to capital financing transferred to the capital adjustment account	-	-	(484)	484
Adjustments primarily involving the capital receipts reserve:				
Transfer of cash sale proceeds credited as part of the (gain) / loss on disposal to the comprehensive income and expenditure statement	(2,512)	2,512	-	0
Use of the capital receipts reserve to finance new capital expenditure	-	(2,693)	-	2,693
Transfer from deferred capital receipts reserve upon receipt of cash	-	-	-	0
Adjustments primarily involving the deferred capital receipts reserve:				
Transfer of deferred sale proceeds credited as part of the gain/loss on disposal to the comprehensive income and expenditure statement	-	-	-	0
Adjustment primarily involving the financial instruments adjustment account:				
Amount by which finance costs charged to the comprehensive income and expenditure statement are different from finance costs chargeable in the year in accordance with statutory requirements	(168)	-	-	168
Adjustments primarily involving the pensions reserve:				
Reversal of items relating to retirement benefits debited or credited to the comprehensive income and expenditure account	68,660	-	-	(68,660)
Employer's pension contributions and direct payments to pensioners payable in the year	(31,800)	-	-	31,800
Adjustments primarily involving the accumulated absences account:				
Amount by which officer remuneration charged to the comprehensive income and expenditure statement on an accruals basis is different from remuneration chargeable in the year in accordance with statutory requirements	(1,985)	-	-	1,985
Total adjustments	(29,598)	(181)	6,423	23,356

NOTES TO THE ACCOUNTS

	General fund balance	Capital receipts reserve	Capital grants unapplied	Movement in unusable reserves
2020/21	£000	£000	£000	£000
Adjustments primarily involving the capital adjustment account				
<i>Reversal of items debited or credited to the comprehensive income and expenditure statement:</i>				
Charges for depreciation and impairment of non current assets	25,603	-	-	(25,603)
Revaluation losses on property, plant and equipment	6,117	-	-	(6,117)
Capital grants and contributions applied	(44,117)	-	-	44,117
Revenue expenditure funded from capital under statute	12,503	-	-	(12,503)
Amounts of non current assets written off on disposal or sale as part of the gain/loss on disposal to the comprehensive income and expenditure statement	1,087	-	-	(1,087)
<i>Insertion of items not debited or credited to the comprehensive income and expenditure statement:</i>				
Statutory provision for the financing of capital investment	(10,102)	-	-	10,102
Capital expenditure charged against the general fund	(1,245)	-	-	1,245
Adjustments primarily involving the capital grants unapplied account:				
Capital grants and contributions unapplied credited to the comprehensive income and expenditure statement	(4,992)	-	4,992	0
Application of grants to capital financing transferred to the capital adjustment account	-	-	(2,187)	2,187
Adjustments primarily involving the capital receipts reserve:				
Transfer of cash sale proceeds credited as part of the gain/loss on disposal to the comprehensive income and expenditure statement	(1,728)	1,728	-	0
Use of the capital receipts reserve to finance new capital expenditure	-	(936)	-	936
Transfer from deferred capital receipts reserve upon receipt of cash	12	-	-	(12)
Adjustments primarily involving the deferred capital receipts reserve:				
Transfer of deferred sale proceeds credited as part of the gain/loss on disposal to the comprehensive income and expenditure statement	-	15	-	(15)
Adjustment primarily involving the financial instruments adjustment account:				
Amount by which finance costs charged to the comprehensive income and expenditure statement are different from finance costs chargeable in the year in accordance with statutory requirements	(176)	-	-	176
Adjustments primarily involving the pensions reserve:				
Reversal of items relating to retirement benefits debited or credited to the comprehensive income and expenditure account	50,690	-	-	(50,690)
Employer's pension contributions and direct payments to pensioners payable in the year	(30,390)	-	-	30,390
Adjustments primarily involving the accumulated absences account:				
Amount by which officer remuneration charged to the comprehensive income and expenditure statement on an accruals basis is different from remuneration chargeable in the year in accordance with statutory requirements	1,541	-	-	(1,541)
Total adjustments	4,803	807	2,805	(8,415)

NOTES TO THE ACCOUNTS

7. MOVEMENT IN RESERVES

This note sets out the amounts set aside from the general fund into reserves to provide financing for future expenditure plans.

	Balance at 1st Apr 2020 £000	Movement in 2020/21 £000	Balance at 31st Mar 2021 £000	Movement in 2021/22 £000	Balance at 31st Mar 2022 £000
EDUCATION, LEISURE & LIFELONG LEARNING					
DELEGATED SCHOOLS CASH - Under Local Government Management of Schools, schools are able to carry forward surpluses and deficits. These reserves are ring fenced for each individual school.	634	(7,849)	(7,215)	(5,405)	(12,620)
ER/VR SCHEME FOR PRIMARY SCHOOLS - This is set aside for Teachers and Staff that have agreements approved to take early retirement or voluntary redundancy during the following year.	(8)	2	(6)	(2)	(8)
REPAIR & MAINTENANCE - This includes funding to meet the cost of repairs and maintenance in schools.	(160)	(1)	(161)	-	(161)
MARGAM DISCOVERY CENTRE, BUILDING MAINTENANCE - To build up a renewal fund that can be used to help fund large building maintenance recharges in the future.	(48)	-	(48)	(12)	(60)
EQUALISATION ACCOUNT EDUCATION - smooth timing of expenditure.	(1,373)	(520)	(1,893)	(516)	(2,409)
HOME TO SCHOOL TRANSPORT - This reserve was created to manage the variation between academic and financial years in respect of a £6.5m Home to School Transport Budget.	(111)	-	(111)	(180)	(291)
ADDITIONAL LEARNING NEEDS - This reserve is to support the implementation of the Additional Learning Needs reforms.	-	-	0	(1,051)	(1,051)
Total Education Leisure & Lifelong Learning	(1,066)	(8,368)	(9,434)	(7,166)	(16,600)
SOCIAL SERVICES, HEALTH & HOUSING					
HOMECARE ECM EQUIPMENT - Equipment reserve to replace mobile phones.	(73)	(14)	(87)	(10)	(97)
COMMUNITY CARE TRANSFORMATION - To fund support and expertise needed to drive forward change required to achieve savings put forward in the FFP.	(108)	(348)	(456)	(3,751)	(4,207)
SOCIAL SERVICES EQUALISATION - To meet high cost cases - must make placements.	(940)	(1,060)	(2,000)	(3,700)	(5,700)
HILLSIDE GENERAL RESERVE - The depreciation charge recovered through fees is set aside for capital renewal.	(274)	(157)	(431)	(150)	(581)
YOUTH OFFENDING SERVICE - To meet the costs of providing Therapeutic Remand placements for young offenders, and also to meet the costs of YOT Managers Cymru and South Wales YOT Training.	(153)	(15)	(168)	-	(168)
ADOPTION SERVICE - To fund the additional contribution to the regional adoption service if NPT adoption placements are higher than expected.	(100)	(400)	(500)	-	(500)

NOTES TO THE ACCOUNTS

11. PROPERTY, PLANT AND EQUIPMENT

In accordance with the Temporary Relief offered by the Update to the 2021/22 Code of Practice on infrastructure assets this note does not include disclosure of gross cost and accumulated depreciation for infrastructure assets because historical reporting practices and resultant information deficits mean that this would not faithfully represent the asset position to the users of the financial statements.

The authority has chosen not to disclose this information as the previously reported practices and resultant information deficits mean that gross cost and accumulated depreciation are not measured accurately and would not provide the basis for the users of the financial statements to take economic or other decisions relating to infrastructure assets.

Service Concessions - These are agreements for services, where the responsibility for making available the property, plant and equipment needed to provide the services passes to the contractor. The Council is deemed to control the services provided under the contract and as ownership of the assets will pass to them at the end of the contract period, the Council carries the assets on its balance sheet as part of property, plant and equipment.

Further details of service concession costs and liabilities can be found in note 32.

Depreciation

The following useful lives have been used in the calculation of depreciation:

Land	Depreciation not applicable
Buildings	At least 20 years
Vehicles, plant, furniture and equipment	3 - 20 years
Infrastructure	40 years

NOTES TO THE ACCOUNTS

Effects of Changes in Estimates

During 2021/22, there have been no material changes made to the accounting estimates for property, plant and equipment.

Infrastructure assets

2020/21 £000		2021/22 £000
281,800	Net Book Value 1st April	280,714
10,063	Additions	8,762
(1,209)	Derecognition	(29)
0	Impairment	0
(10,120)	Depreciation	(10,330)
180	Other Movements in Cost	0
280,714	Total	279,117

The authority has determined in accordance with Regulation 24L Wales of the Local Authorities (Capital Finance and Accounting) (Wales) Regulations 2003 (as amended) that the carrying amounts to be derecognised for infrastructure assets when there is replacement expenditure is nil.

2020/21 £000		2021/22 £000
280,714	Infrastructure Assets	279,117
441,485	Other Property Plant & Equipment Assets	595,679
722,199	Total Property Plant & Equipments	874,796

Revaluations

The Council carries out a rolling programme that ensures that all property, plant and equipment required to be measured at fair value is revalued at least every five years. All valuations are carried out internally. Valuations of land and buildings is carried out in accordance with the methodologies and basis for estimation set out in the professional standards of the Royal Institution of Chartered Surveyors. Valuations of vehicles, plant, furniture and equipment is based on historic cost.

During 2021-22 not all assets valued under the Depreciated Replacement Cost basis have been fully revalued, only those in the current cycle were revalued in line with our accounting policy, whilst those assets not within the current cycle were only partially revalued. This partial revaluation exercise was undertaken to more accurately reflect the current economic climate and the increase in construction costs relating to these asset valuations.

NOTES TO THE ACCOUNTS

12. FINANCIAL INSTRUMENTS

Financial liabilities and financial assets represented by loans and receivables are carried in the balance sheet at principal plus accrued interest. Accrued interest is included within the current values above as it is effectively payable or receivable within one year.

The debtors position differs from that reported in the balance sheet as the debts relating to council taxation do not meet the definition of a financial instrument.

Categories of Financial Instruments

The following categories of financial instrument are carried in the balance sheet:

2021/22 Financial Assets	Long term (Non-current)		Short term (Current)	
	Investments	Debtors	Investments	Debtors
	31st Mar 2022 £000	31st Mar 2022 £000	31st Mar 2022 £000	31st Mar 2022 £000
Amortised Cost	5,086	828	68,347	79,705
Total Financial Assets	5,086	828	68,347	79,705

Financial Liabilities	Long term (Non-current)		Short term (Current)	
	Borrowings	Creditors	Borrowings	Creditors
	31st Mar 2022 £000	31st Mar 2022 £000	31st Mar 2022 £000	31st Mar 2022 £000
Amortised Cost	(282,292)	(16,027)	(31,046)	(49,648)
Total Financial Liabilities	(282,292)	(16,027)	(31,046)	(49,648)

2020/21 Financial Assets	Long term (Non-current)		Short term (Current)	
	Investments	Debtors	Investments	Debtors
	31st Mar 2021 £000	31st Mar 2021 £000	31st Mar 2021 £000	31st Mar 2021 £000
Amortised Cost	86	1,018	52,524	59,226
Total Financial Assets	86	1,018	52,524	59,226

Financial Liabilities	Long term (Non-current)		Short term (Current)	
	Borrowings	Creditors	Borrowings	Creditors
	31st Mar 2021 £000	31st Mar 2021 £000	31st Mar 2021 £000	31st Mar 2021 £000
Amortised Cost	(290,834)	(16,256)	(13,568)	(41,371)
Total Financial Liabilities	(290,834)	(16,256)	(13,568)	(41,371)

NOTES TO THE ACCOUNTS

Income, Expenses, Gains and Losses

31st Mar 2021 £000	Surplus or Deficit on the Provision of Services	31st Mar 2022 £000
10,569	Financial Liabilities Measured at Amortised Cost	10,324
10,569	Total Net Gains/Losses	10,324
(251)	Interest Expense	(167)

Fair Values of Assets and Liabilities

Financial liabilities and financial assets represented by loans and receivables are carried on the balance sheet at amortised cost. The fair value of the loans and receivables and financial liabilities is determined by calculating the net present value (NPV) of future cash flows, which provides an estimate of the value of payments in the future as at 31st March 2022, using the following assumptions:

- For loans from the PWLB and other loans payable, borrowing rates from the PWLB have been applied to provide the fair value under PWLB debt redemption procedures.
- For loans receivable prevailing benchmark market rates have been used to provide the fair value.
- No early repayment or impairment is recognised.
- Where an instrument has a maturity of less than 12 months or is a trade or other receivable the fair value is taken to be the carrying amount or the billed amount.
- The fair value of trade and other receivables is taken to be the invoiced or billed amount.

The discount rate used in the NPV calculation is equal to the current rate in relation to the same instrument from a comparable lender and is the rate applicable in the market as at 31st March 2022, for an instrument with the same duration. Where it is difficult to obtain the rate for an instrument with identical features in an active market then the prevailing rate of a similar instrument with a published market rate has been used as the discount factor.

The values calculated are as follows:

31st Mar 2021			31st Mar 2022	
Carrying Amount £000	Fair Value £000		Carrying Amount £000	Fair Value £000
(232,598)	(280,556)	PWLB Debt	(241,597)	(263,802)
(67,443)	(105,122)	Non-PWLB Debt	(67,346)	(94,591)
(1,572)	(1,572)	Non-PWLB Debt Temporary	(1,574)	(1,574)
(301,613)	(387,250)	Total Debt	(310,517)	(359,967)
(16,256)	(16,256)	Long Term Creditors	(16,027)	(16,027)

NOTES TO THE ACCOUNTS

31st March 2022 – Debt

The fair value of the liabilities is higher than the carrying amount because the Council's portfolio of loans includes a number of fixed rate loans where the interest payable is higher than the prevailing rates available for similar loans in the market at the balance sheet date. This shows a notional future loss, based on economic conditions at 31st March 2022, arising from a commitment to pay interest to lenders above market rates.

Fair value of assets:

31st Mar 2021			31st Mar 2022	
Carrying Amount £000	Fair Value £000		Carrying Amount £000	Fair Value £000
52,500	52,500	Loans and Receivables	73,300	73,175
1,018	1,018	Long Term Debtors	828	828

13. DEBTORS

31st Mar 2021 £000		31st Mar 2022 £000
44,093	Central Government Bodies	55,959
1,785	Other Local Authorities	3,987
3,483	NHS Bodies	4,767
13,446	Other Entities and Individuals	17,825
4,158	Payments in Advance	5,043
(5,062)	Less Provision for Impairment Loss	(5,250)
61,903	Total	82,331

14. DEBTORS FOR LOCAL TAXATION

Included within the total debtors figure above are debts relating to the collection of local taxation, as adjusted for those that are unlikely to be collected.

31st Mar 2021 £000		31st Mar 2022 £000
1,763	Less than One Year	1,644
2,236	More than One Year	2,290
(1,322)	Less provision for Impairment Loss	(1,308)
2,677	Total	2,626

NOTES TO THE ACCOUNTS

15. CASH AND CASH EQUIVALENTS

The balance of cash and cash equivalents is made up of the following elements:

31st Mar 2021 £000		31st Mar 2022 £000
96	Cash Held by the Authority	116
3,715	Bank Current Accounts	4,222
3,811	Total	4,338

16. ASSETS HELD FOR SALE

Net Transfer (To)	-	(148)	(148)
Balance at 31st March 2022	(1,109)	(148)	(1,257)

Long and Short Term - Injury and Damage Compensation Claims

This provision covers the estimated cost of settling all the outstanding insurance claims of the Council that existed at 31st March 2022.

Long Term - Other Provisions – Housing Warranties

This long term provision has been set aside in recognition of the warranties and commitments relating to potential liabilities following the transfer of housing services in 2010/11. The provision reflects the costs likely to be incurred in future years.

Short Term - Other Provisions – Redundancy

The Council undertook an exercise to seek volunteers for voluntary redundancy as part of the Council's savings strategy and in line with the Council's desire to avoid compulsory redundancy as far as is possible. Many of those who finished left the Council before the 31st March. However, there were some agreements to leave after this date and accounting regulations require the Council to account for the costs in the year that the agreement was made. A charge has been made to this year's individual revenue accounts, for the cost of these leaving during next year, with this provision being set up to meet the costs when the individuals actually leave.

NOTES TO THE ACCOUNTS

19. USABLE RESERVES

Movements in the Council's usable reserves are detailed in the movement in reserves statement and summarised below:

31st Mar 2021 £000		31st Mar 2022 £000
(79,052)	Earmarked and General Reserve Working Balance	(104,774)
(14,434)	Unapplied Grants	(20,857)
(8,883)	Usable Capital Receipts	(8,702)
(102,369)	Total	(134,333)

20. UNUSABLE RESERVES

31st Mar 2021 £000		31st Mar 2022 £000
(93,285)	Revaluation Reserve	(175,058)
(290,643)	Capital Adjustment Account	(352,950)
1,489	Financial Instruments Adjustment Account	1,321
578,403	Pensions Reserve	449,770
(3)	Deferred Capital Receipts Reserve	(3)
6,213	Accumulated Absences Account	4,228
202,174	Total	(72,692)

Revaluation Reserve

The revaluation reserve contains the gains made by the Council arising from increases in the value of its property, plant and equipment. The balance is reduced when assets with accumulated gains are:

- revalued downwards or impaired and the gains are lost,
- used in the provision of services and the gains are consumed through depreciation, or
- disposed of and the gains are realised.

The reserve contains only revaluation gains accumulated since 1st April 2007, the date that the reserve was created. Accumulated gains arising before that date are consolidated into the balance on the capital adjustment account.

NOTES TO THE ACCOUNTS

2020/21		Revaluation Reserve	2021/22	
£000	£000		£000	£000

	3,734	Amount Written Off to the Capital Adjustment Account		4,244
	(93,285)	Balance at 31st March		(175,058)

Capital Adjustment Account

The capital adjustment account absorbs the timing differences arising from the different arrangements for accounting for the consumption of non-current assets and for financing the acquisition, construction or enhancement of those assets under statutory provisions. The account is debited with the cost of acquisition, construction or enhancement as depreciation, impairment losses and amortisations are charged to the comprehensive income and expenditure statement (with reconciling postings from the revaluation reserve to convert fair value figures to a historical cost basis). The account is credited with the amounts set aside by the Council as finance for the costs of acquisition, construction and enhancement.

The account also contains revaluation gains accumulated on property, plant and equipment before 1st April 2007, the date that the revaluation reserve was created to hold such gains. Note 6 provides details of the source of all the transactions posted to the account, apart from those involving the revaluation reserve.

NOTES TO THE ACCOUNTS

	(290,643)	Balance at 31st March		(352,950)

NOTES TO THE ACCOUNTS

Financial Instruments Adjustment Account

The financial instruments adjustment account absorbs the timing differences arising from the different arrangements for accounting for income and expenses relating to certain financial instruments and for bearing losses or benefiting from gains per statutory provisions. The Council uses the account to release premiums and discounts paid which were received on the early redemption of loans. Over time, the premiums are posted back to the general fund balance in accordance with statutory arrangements for spreading the effect on council tax. In the Council's case, this period is the unexpired term that was outstanding on the loans when they were redeemed. As a result the balance of the premiums at 31st March 2022 will be charged to the general fund until 2055.

2020/21		Financial Instruments Adjustment Account	2021/22	
£000	£000		£000	£000
(176)	1,665	Balance at 1st April	(168)	1,489
	(176)	Proportion of Premiums Incurred in Previous Financial Years to be Charged Against the General Fund Balance in Accordance with Statutory Requirements		(168)
	1,489	Balance at 31st March		1,321

Pensions Reserve

The pensions reserve absorbs the timing differences arising from the different arrangements for accounting for post-employment benefits and for funding benefits in accordance with statutory provisions. The Council accounts for post-employment benefits in the comprehensive income and expenditure statement as the benefits are earned by employees accruing years of service, updating the liabilities recognised to reflect inflation, changing assumptions and investment returns on any resources set aside to meet the costs. However, statutory arrangements require benefits earned to be financed as the Council makes employer's contributions to pension funds or eventually pays any pensions for which it is directly responsible. The debit balance on the pensions reserve therefore shows a substantial shortfall in the benefits earned by past and current employees and the resources the Council has set aside to meet them. The statutory arrangements will ensure that funding will have been set aside by the time the benefits come to be paid.

2020/21 £000	Pension Reserve	2021/22 £000
495,303	Balance at 1st April	578,403
62,800	Actuarial (Gains) or Losses on Pensions Assets and Liabilities	(165,493)
50,690	Reversal of Items Relating to Retirement Benefits Debited or Credited to the Surplus or Deficit on the Provision of Services in the Comprehensive Income and Expenditure Statement	68,660
(30,390)	Employer's Pensions Contributions and Direct Payments to Pensioners Payable in the Year	(31,800)
578,403	Balance at 31st March	449,770

NOTES TO THE ACCOUNTS

Deferred Capital Receipts Reserve

The deferred capital receipts reserve holds the gains recognised on the disposal of non-current assets but for which cash settlement has yet to take place. Under statutory arrangements, the Council does not treat these gains as usable for financing new capital expenditure until they are backed by cash receipts. When the deferred cash settlement eventually takes place, amounts are transferred to the capital receipts reserve.

2020/21 £000	Deferred Capital Receipts Reserve	2021/22 £000
(15)	Balance at 1st April	(3)
12	Transfer to the Capital Receipts Reserve Upon Receipt of Cash	-
(3)	Balance at 31st March	(3)

Accumulated Absences Account

The accumulated absences account absorbs the differences that would otherwise arise on the general fund balance from accruing for compensated absences earned but not taken in the year, that is, annual leave entitlement carried forward at 31st March. Statutory arrangements require that the impact on the general fund balance is neutralised by transfers to or from the account.

2020/21		Accumulated Absences Account	2021/22	
£000	£000		£000	£000
	4,672	Balance at 1st April		6,213
(4,672)		Settlement or Cancellation of Accrual made at the end of the Preceding Year	(6,213)	
6,213		Amounts Accrued at the end of the Current Year	4,228	
	1,541	Amount by which Officer Remuneration Charged to the CIES on an Accruals Basis is Different from Remuneration Chargeable in the Year in Accordance with Statutory Requirements		(1,985)
	6,213	Balance at 31st March		4,228

NOTES TO THE ACCOUNTS

2,946	Cash Receipts of Short and Long Term Borrowing	10,014
(9,206)	Repayments of Short and Long Term Borrowing	(1,109)
(6,260)	Net Cash Flows from Financing Activities	8,905

The financing activities relate to non-cash changes. The financing cash flows can be further split between short and long term borrowing as follows:

	Long Term £000	Short Term £000	Total £000
Cash Receipts	10,000	14	10,014
Repayments	-	(1,109)	(1,109)
Net Cash Flows from Financing Activities	10,000	(1,095)	8,905

24. AGENCY SERVICES

South Wales Trunk Road Agency

The Council performs agency work on trunk roads in South and West Wales on behalf of the Welsh Government who fully reimburse the related expenditure. The financial activity relating to this contract is not included in the comprehensive income and expenditure statement.

COVID 19 Agency Arrangements

During 2021-22 the Council have been acting on behalf of the Welsh government as an agent with regard to various COVID19 related grants. Expenditure for which has been fully reimbursed. These include business grants, hardship funding and social care recognition schemes. The financial activity relating to this contract is not included in the comprehensive income and expenditure statement. Further details can be found in note 38.

25. POOLED BUDGETS

Community Equipment Store – Health, Neath Port Talbot Council and the City and Country of Swansea

Neath Port Talbot Council is party to a pooled arrangement with the Swansea Bay University Health Board and the City and County of Swansea Council. This arrangement is led by the City and County of Swansea.

The agreement for this pool is that the host partner shall retain operational responsibility for any costs, expenses or liabilities in excess of the pooled fund at any time during its existence, other than where these have been incurred with the express agreement of the partners. Where this agreement has been made, the partners are jointly responsible in the proportions of their respective contributions to the pool.

NOTES TO THE ACCOUNTS

2020/21			2021/22

	(1,336)	Net (Surplus)/Deficit Arising on the Pooled Budget During the Year		446
	0	Authority Share of the Net (Surplus) / Deficit Arising on the Pooled Budget		0

Intermediate Care – Neath Port Talbot Council and Health

Neath Port Talbot Council is host to a pooled arrangement with the Health Board, which covers arrangements to plan and arrange provision of adult and older people's services.

The arrangement for this pool is that the partners shall be jointly responsible, in accordance with the funding agreement for any costs, claims, expenses or liabilities incurred in accordance with the terms of the pool agreement. Also, any underspend will be put into a ring-fenced reserve or distributed to partners as agreed by the partnership board.

2020/21			2021/22	
£000	£000		£000	£000
(2,654)		Funding Provided to the Pooled Budget:

26. MEMBERS REMUNERATION

The Council paid the following amounts to members of the Council during the year, including on-costs for national insurance and pensions.

2020/21		2021/22
£000		£000
1,352	Basic and Senior Salaries	1,371
-	Expenses	-
1,352	Total	1,371

NOTES TO THE ACCOUNTS

27. OFFICERS REMUNERATION

The Council is required to provide details on a range of remuneration issues, such as the median remuneration for all employees compared to the Chief Executive, the amounts earned by senior officers, salary costs greater than £60,000 and the cost and number of any exit packages. As the effect of including voluntary aided schools is not material, the information prepared for the remuneration notes includes the staff employed at the voluntary aided faith schools in the area, which are:

- Alderman Davies Church in Wales Primary
- Bryncoch Church in Wales Primary
- St Therese's Catholic Primary
- St Joseph's Catholic Primary, Infants and Junior schools
- St Joseph's Comprehensive.

The Accounts and Audit Regulations (Wales) 2014 introduced the requirement for the statement of accounts to disclose the organisations pay multiple. This is the ratio of the highest paid employee, the Chief Executive and the median earnings across the organisation. In 2021/22 this ratio is 5.56 times the median remuneration of the organisation which is £24,920.

The remuneration paid to the Council's senior employees is as follows:

			Salary, Fees and Allowances £	Expenses Allowances £	Employers Pension Contribution £	Total £
Chief Executive Steven J Phillips	2020/21	*	£109,802	-	£22,290	£132,092
Chief Executive Karen Jones	2020/21	*	£32,849	-	£6,668	£39,517
	2021/22		£137,623	-	£23,281	£160,904
Director of Education, Leisure & Lifelong Learning	2020/21		£133,439	-	£26,703	£160,142
	2021/22		£111,485	-	£22,631	£134,116
Director of Environment	2020/21		£110,236	-	£22,378	£132,614
	2021/22		£114,759	-	£23,296	£138,055
Director of Social Services, Health & Housing	2020/21		£115,755	-	£21,540	£137,295
	2021/22		£120,959	-	£24,555	£145,514
Director of Finance and Corporate Services	2020/21		£118,447	-	-	£118,447
	2021/22		£70,131	-	-	£70,131
Chief Finance Officer	2021/22		£38,404	-	£7,796	£46,200
Head of Finance	2020/21		£79,928	-	£16,225	£96,153
	2021/22		£47,736	-	£9,690	£57,426
Assistant Chief Executive & Digital Officer	2020/21		£70,392	-	£14,290	£84,682
Chief Digital Officer	2021/22		£64,451	-	£13,084	£77,535
Head of People & Organisational Development	2020/21		£83,735	-	£16,995	£100,730
	2021/22		£84,339	-	£17,121	£101,460
Head of Legal Services	2020/21		£79,928	-	£16,225	£96,153
	2021/22		£83,060	-	£16,861	£99,921

NOTES TO THE ACCOUNTS

The Employers pension contribution of 20.3% (20.3% in 2020/21) excludes any deficit contribution to the Fund and represents the normal contribution required for the year. No contribution cost is included when an officer has left the employers pension scheme.

The Chief Executive post was filled by appointment on 1st January 2021 after the retirement of the former Chief Executive. There are two lines showing for the Chief Executive in 2020/21 to show the pay of the *retiring Chief Executive, followed by the figures of the **current Chief Executive.

Only 10 months pension contribution has been included in 2021/22 for the Chief Executive as she opted out of the pension scheme on 31st January 2022.

The figures do not include any remuneration for the Chief Executive in her role as returning officer. The amount paid to the Chief Executive in 2021/22 was £8,794 which is based on rates defined by the respective election bodies and reimbursed £82 for election expenses.

The Director of Education retired on 31st March 2021, included in the remuneration for 2020/21 is an amount for unused holiday pay.

The Assistant Chief Executive & Digital Officer Post was deleted on 7th January 2021 after a restructure of the Senior Management Team which included the Head of People & Organisational Development and the Head of Legal Services now reporting directly to the Chief Executive. The Chief Digital Officer Post was created as part of the restructure and was filled on 28th June 2021.

The Director of Finance and Corporate Services retired on 31st October 2021. This post has been deleted from the structure along with the Head of Finance and replaced by the Chief Finance Officer post.

The number of other staff employed by the Council, including head teachers, receiving more than £60,000 remuneration for the year, excluding employer's pension contributions, is listed below, in bands of £5,000. The number being included has increased due to more Teachers in receipt of remuneration greater than £60,000 after the 2021/22 pay awards were received.

Number of Employees 2020/21				Number of Employees 2021/22
42	£60,000	-	£64,999	58
28	£65,000	-	£69,999	24
12	£70,000	-	£74,999	19
7	£75,000	-	£79,999	6
10	£80,000	-	£84,999	5
4	£85,000	-	£89,999	5
2	£90,000	-	£94,999	6
1	£100,000	-	£104,999	-
-	£105,000	-	£109,999	1
1	£110,000	-	£114,999	1
107				125

NOTES TO THE ACCOUNTS

As a result of a voluntary redundancy scheme in 2021/22, one employee received remuneration above £60,000. This individual was paid the following amount:

Number of Employees 2020/21			Number of Employees 2021/22
1	£65,000	-	£69,999
1			1

The Council continues to minimise compulsory redundancy as far as is possible by using alternatives such as voluntary redundancy and redeployment to alternative employment. Those who left under either voluntary or compulsory redundancy received redundancy payments in line with the Council's scheme and where eligible, accessed their pensions.

The numbers of exit packages with total cost per band and total cost of the compulsory and other redundancies are set out in the table below.

Exit Package cost band	Number of Compulsory Redundancies		Number of other Departures Agreed		Total Number of Exit Packages by Cost Band		Total Cost of Exit Packages in Each Band	
	2020/21	2021/22	2020/21	2021/22	2020/21	2021/22	2020/21 £000	2021/22 £000
£0 - £20,000	7	9	21	13	28	22	242	168
£20,001 - £40,000	-	-	11	3	11	3	374	85
£40,001 - £60,000	-	-	3	1	3	1	162	50
£60,001 - £100,000	-	-	2	3	2	3	123	202
Total	7	9	37	20	44	29	901	505

28. EXTERNAL AUDIT COSTS

The Council has incurred the following costs in relation to the audit of the statement of accounts, certification of grant claims and statutory inspections provided by the Council's external auditors:

2020/21 £000		2021/22 £000
175	Fees Payable to Audit Wales for External Audit Services Carried Out by the Appointed Auditor for the Year	181
99	Fees Payable to Audit Wales for Statutory Work Carried Out Under the Local Government Measure	103
49	Fees Payable to Audit Wales for the Certification of Grant Claims and Returns for the Year	50
323	Total	334

NOTES TO THE ACCOUNTS

29. GRANT INCOME

NOTES TO THE ACCOUNTS

30. RELATED PARTIES

The Council is required to disclose material transactions with related parties – bodies or individuals that have the potential to control or influence the Council or to be controlled or influenced by the Council. Disclosure of these transactions allows readers to assess the extent to which the Council might have been constrained in its ability to operate independently or might have secured the ability to limit another party's ability to bargain freely with the Council.

Central Government

Central government has significant influence over the general operations of the Council – it is responsible for providing the statutory framework, within which the Council operates, provides the majority of its funding in the form of grants and prescribes the terms of many of the transactions that the Council has with other parties, such as council tax bills and housing benefits. Grants and contributions received from government departments are set out in the note to the expenditure and funding analysis in note 5. Grant receipts are shown in note 29.

Members

Members of the Council have direct control over the Council's financial and operating policies. The total paid to members in 2021/22, including on-costs, is shown in note 26.

Under the code of conduct incorporated in the Council's Constitution, members are required to record in the register of members interests any financial and other personal interests, together with any gift, hospitality, material interest or advantage. The register is open to inspection by the public and is available on an individual member basis on the Council Website.

Members of the Council serve on numerous outside bodies some of which either receive funding from the Council or issue levies and precepts to be paid by the Council. These payments are made with proper consideration of declarations of interest and relevant members do not take part in any discussion or decision relating to the grants.

Officers

The Head of Legal Services is an unpaid shareholder representative on behalf of the Council with Neath Port Talbot Waste Management Ltd. The role does not involve any decision making on the day to day running of the Company.

The Head of Legal Services is the Monitoring Officer for South West Wales Corporate Joint Committee, the Council is reimbursed by the CJC for costs.

NOTES TO THE ACCOUNTS

Entities Significantly Influenced by the Council

Swansea Bay City Deal

The Swansea Bay City Deal is a £1.3bn investment in 9 major projects across the Swansea Bay City Region – which is made up of Carmarthenshire, Neath Port Talbot, Pembrokeshire and Swansea.

The Swansea Bay City Deal is being led by the four regional local authorities through a Joint Committee Agreement, together with non-voting partners - Swansea Bay and Hywel Dda University Health Boards, Swansea University, the University of Wales Trinity Saint David.

Within the Joint Committee Agreement there is acknowledgment that all partners will contribute £50,000 per annum to support the central and administrative functions of the programme, as well as 1.5% “Top Slice” being applied to programme/project City Deal grant awards.

Neath Port Talbot County Borough Council’s partnership contribution is fully paid up to 31st March 2022. As at the 31st March 2022, no City Deal grant funding was awarded to Neath Port Talbot County Borough Council, due to programme/project business cases being still in development.

Under the agreement of the Joint Committee (JC – 9th July 2020) costs in respect of the provision of support services by Local Authorities to the Swansea Bay City Deal were included within the Joint Committee budget allowing for the recharge of those functions by Authorities. As such expenditure was recharged during the financial year by City and County of Swansea for Legal and democratic services in respect of the Joint Committee, Carmarthenshire County Council for the Accountable Body function’ Pembrokeshire County Council for the provision of Internal Audit services and Neath Port Talbot CBC for Democratic Services in respect of the Joint Scrutiny Committee.

As agreed by the Joint Committee (JC-11th June 2020) interest accumulated on Swansea Bay City Deal cash balances will be distributed to Authorities on a programme/project basis aligned to their allocated grant.

NOTES TO THE ACCOUNTS

Waste

The Council owns a waste management company (Neath Port Talbot Waste Management Company Ltd). The waste management company has a 100% shareholding in the operating company for the materials recycling plant (Neath Port Talbot Recycling Ltd), which stopped trading on 30th September 2019. Both companies are due to be dissolved during 2022/23.

The Council provides the provision of waste management services of residual waste for Bridgend County Borough Council for which the Council received income of £3.3m in 2021/22 (£3.3m 2020/21).

Celtic Leisure

The Council has a contract with Celtic Leisure (a company limited by guarantee) to manage its indoor leisure activities and the Gwyn Hall. Following negotiations with the Council the Trustees have agreed to surrender the contract prior to the Trust commencing liquidation procedures. The Council has agreed to provide the Trust with funding to meet its obligations until the date of the completion of the contract and in respect of the planned liquidation.

A decision was taken by Cabinet on 1st February 2022 to insource indoor leisure activities and arrangements will continue to develop in that regard. The indemnity agreement that the Council has with Celtic Leisure remains in place until the insourcing is complete.

The Council pays Celtic Leisure an annual management fee to run the service (excluding the structural maintenance of buildings) which for 2021/22 was £1.558m (£1.461m in 2020/21). During 2021/22 the Council also paid a COVID loss of income Grant to Celtic Leisure of £1.058 (£1.475 in 2020/21). There was £238,000 (£44,000 in 2020/21) outstanding balance owed by Celtic Leisure to the Council on 31st March 2022.

South West Wales Corporate Joint Committee

The Corporate Joint Committee (CJC) is required by the Local Government and Elections (Wales) Act 2021. The Committee includes Carmarthenshire Council, City and County of Swansea, Pembrokeshire Council and the Brecon Beacons and Pembrokeshire National Park Authorities. It is tasked to prepare transport and strategic development plans for the regions. The CJC can also exercise economic well-being powers. The Council is committing a sum by way of a levy and will be reimbursed for Officer's time. The Council received a contribution of £62,500 in 2021-22.

NOTES TO THE ACCOUNTS

31. CAPITAL EXPENDITURE AND CAPITAL FINANCING

The total amount of capital expenditure incurred in the year is shown in the table below, together with the resources that have been used to finance it.

2020/21 £000		2021/22 £000
55,652	Capital Investment	63,976
3,117	Property, Plant and Equipment	6,647
	Revenue Expenditure Funded from Capital Under Statute	
58,769		70,623
	Sources of Finance	
(936)	Capital Receipts	(2,693)
(46,304)	Government Grants and Other Contributions: Sums Set Aside from Revenue	(48,104)
(1,245)	Direct Revenue Contributions and Reserves	(2,810)
(10,284)	Loans	(17,016)
(58,769)		(70,623)

As at 31st March 2022, the Authority has entered into a number of contracts for the construction of Property, Plant and Equipment. The budgeted cost of these commitments for 2022/23 and future years are shown in the table below.

The major commitments are:

Major Capital Commitments	2022/23 £000	Future £000	Total £000
Replacement Comprehensive School at Cefn Saeson	507	-	507
Replacement Primary at Abbey	552	-	552
New Build Block Ysgol Gymraeg Ystalyfera Bro Dur (North Campus)	175	-	175
Harbourside Infrastructure	14	-	14
Plaza Redevelopment	293	-	293
Neath Town Centre Redevelopment	2,674	-	2,674
Crymlyn Burrows Transfer Station Site Improvements	5,580	231	5,811
The Technology Centre	309	-	309
	10,104	231	10,335

Where Capital expenditure is to be financed in future years by charges to revenue as assets are used by the Council, the expenditure results in an increase in the capital financing requirement (CFR), a measure of the capital expenditure incurred historically by the Council that has yet to be financed.

NOTES TO THE ACCOUNTS

2020/21 £000		2021/22 £000
(342,873)	Opening Capital Financing Requirement	(343,055)
(4,489)	Increase in Underlying Need to Borrow (Supported by Government Financial Assistance)	(4,433)
(5,795)	Increase in Underlying Need to Borrow (Unsupported by Government Financial Assistance)	(12,583)
10,102	Minimum Revenue Provision and Prudential Borrowing	10,498
(343,055)	Closing Capital Financing Requirement	(349,573)

32. SERVICE CONCESSION

On 1st April 2012, the Council entered into a service concession arrangement with Tai Gwalia CYF to take over and operate the Council's long term care and short term respite care homes. As part of this arrangement, the Council transferred its existing care homes to Tai Gwalia CYF who have constructed two new residential care homes, Plas Bryn Rhosyn in Neath and Llys Y Seren in Port Talbot, on land owned by the Council. This arrangement is in place until 2037.

The agreement included the construction of two residential care homes with a commitment that the Council will purchase a guaranteed number of beds for the duration of the contract. The contract includes a series of events which could trigger termination of the contract. At the end of the contract the assets transfer into the ownership of the Council for no additional charge. The Council carries the non-current assets used under the contract on the balance sheet as service concession assets.

The following table shows the payments to be made under the service concession:

	Payment for Services £000	Reimburse Capital Expenditure £000	Interest £000	Total £000
Payable:				
Within 1 year	4,300	102	151	4,553
Within 2 to 5 years	17,199	474	535	18,208
Within 6 to 10 years	16,022	780	482	17,284
Within 11 to 15 years	16,022	1,056	206	17,284
Total	53,543	2,412	1,374	57,329

The future service liability for reimbursing capital expenditure is:

2020/21 £000		2021/22 £000
2,597	Balance Outstanding at 1st April	2,507
(90)	Payments During the Year	(95)
2,507	Balance outstanding at 31st March	2,412

NOTES TO THE ACCOUNTS

33. LEASES

Council as Lessee

Finance Leases

The Council has one finance lease recognised in its balance sheet.

31st Mar 2021 £000		31st Mar 2022 £000
3,158	Other Land and Buildings - Asset Value	3,462

The Council is committed to making minimum payments under these leases comprising settlement of the long term liability for the interest in the property acquired by the Council and finance costs that will be payable by the Council in future years, while the liability remains outstanding. The minimum lease payments are made up of the following amounts:

31st Mar 2021 £000		31st Mar 2022 £000
	Finance Lease Liabilities	
11	Current	12
843	Non Current	831
795	Finance Lease Costs Payable in Future Years	754
1,649	Minimum Lease Payments	1,597

These minimum lease payments will be payable over the following periods:

Minimum Lease Payments	Finance Lease Liabilities		Minimum Lease Payments	Finance Lease Liabilities
31st Mar 2021 £000	31st Mar 2021 £000		31st Mar 2022 £000	31st Mar 2022 £000
52	11	Not Later than One Year	52	12
206	51	Between 1 and 5 Years	206	54
1,391	792	Later than 5 Years	1,339	777
1,649	854		1,597	843

Council as Lessor

Operating Lease

The Council currently leases out property under operating lease agreements ranging from indoor market units to shops, clubs, land, etc.

The lease income received in 2021/22 was £1.224m and in 2020/21 was £1.204m.

The leases are short term by nature and future income streams will be affected by external factors, most noticeably economic conditions and therefore cannot be estimated with certainty.

NOTES TO THE ACCOUNTS

34. PENSION SCHEMES ACCOUNTED FOR AS DEFINED CONTRIBUTION SCHEMES

Teachers employed by the Council are members of the Teachers' Pension Scheme, administered by the Department for Education. The Scheme provides teachers with specified benefits upon their retirement, and the Council contributes towards the costs by making contributions based on a percentage of members' pensionable salaries.

The Scheme is technically a defined benefit scheme. However, the Scheme is unfunded and the Department for Education uses a notional fund as the basis for calculating the employers' contribution rate paid by local authorities. The Council is not able to identify its share of underlying financial position and performance of the Scheme with sufficient reliability for accounting purposes. For the purposes of this statement of accounts, it is therefore accounted for on the same basis as a defined contribution scheme.

In 2021/22 the Council paid £12m (£11.4m in 2020/21) to Teachers' Pensions in respect of teachers' retirement benefits, based on a 23.68% which has been the effective rate from 1st September 2019.

The Council is responsible for the costs of any additional benefits awarded upon early retirement outside of the terms of the teachers' scheme. These costs are accounted for on a discretionary basis within the defined benefit detailed in note 35.

35. DEFINED BENEFIT PENSION SCHEMES

Participation in Pension Schemes

As part of the terms and conditions of employment of its officers, the Council makes contributions towards the cost of post-employment benefits. Although these benefits will not actually be payable until employees retire, the Council has a commitment to make the payments that need to be disclosed at the time that employees earn their future entitlement. The Council participates in two post-employment schemes:

- the Local Government Pension Scheme, administered locally by the City and County of Swansea. This is a funded defined benefit final salary scheme, meaning that the Council and employees pay contributions into a fund, calculated at a level intended to balance the pensions' liabilities with investment assets. Benefits earned up to 31st March 2014 were linked to final salary, with benefits after this date based on a career average revalued earnings scheme.
- arrangements for the award of discretionary post-retirement benefits upon early retirement – this is an unfunded defined benefit arrangement, under which liabilities are recognised when awards are made. However, there is no investment assets built up to meet these pensions' liabilities, and cash has to be generated to meet actual pension payments as they eventually fall due.

The City and County of Swansea Pension Fund is operated under the regulatory framework for the Local Government Pension Scheme and the governance of the scheme is the responsibility of the City and County of Swansea Council. Policy is determined in accordance with the pension fund regulations.

NOTES TO THE ACCOUNTS

The principal risks to the Council of the scheme are the longevity assumptions, statutory changes to the scheme, structural changes to the scheme, such as large-scale withdrawals, changes to inflation, bond yields and the performance of the equity investments held by the scheme. These are mitigated to a certain extent by the statutory requirements to charge to the general fund the amounts required by statute.

Discretionary Post-Retirement Benefits

Discretionary post-retirement benefits on early retirement are an unfunded defined benefit arrangement, under which liabilities are recognised when awards are made. There are no plan assets built up to meet these pension liabilities.

Transactions Relating to Post-Employment Benefits

The cost of retirement benefits is recognised in the reported cost of services when they are earned by employees, rather than when the benefits are eventually paid as pensions. However, the charge we are required to make against council tax is based on the cash payable in the year, so the real cost of post-employment/retirement benefits is reversed out of the general fund via the movement in reserves statement.

The following transactions have been made in the comprehensive income and expenditure statement and the general fund balance via the movement in reserves statement during the year.

McCloud

During 2019, the Supreme Court rejected the Government's request to appeal against a judgement relating to "McCloud/Sargeant" a judge and a fire fighter who represented their pension scheme members in claiming unlawful discrimination. This concerned the transitional protections given to older scheme members as part of pension reforms introduced in 2014/15, which have been judged age discriminatory.

The net pension liability reported in the accounts includes a potential liability related to the McCloud judgement. The pension fund actuary, Aon Hewitt, has based the estimate on the major provisions of the remedy.

Guaranteed Minimum Pension (GMP) Equalisation

GMP is a portion of the pension that was accrued by individuals who were contracted out of the State Second Pension between 6th April 1978 and 6th April 1997.

In October 2020 a second ruling in the Lloyds bank case clarified that compensation would be required to members who transferred benefits out since May 1990. The Government has not yet acknowledged a liability in public service schemes nor indicated an approach to rectify this so no allowance has been made for a potential liability arising from this ruling.

Impact of Covid-19

There has been a change to the post-retirement mortality assumption at this accounting date to allow for the effect of Covid-19 on the future development of mortality rates. This has had a positive effect on the balance sheet position equivalent to around 1% of the defined benefit obligation.

		810,666			911,400	

In January 2019, the three segregated equity funds were transitioned to the Wales Pension Partnership Global Opportunities Fund as a pooled Equity Investment Vehicle. The Scheme no longer has any segregated global equity mandates.

NOTES TO THE ACCOUNTS

The following investments represented more than 5% of the Fund's net assets:

Neath Port Talbot Share			Neath Port Talbot Share	
2020/21			2021/22	
Value of Net Assets £000	Proportion of Net %		Value of Net Assets £000	Proportion of Net %
188,741	23.3	Blackrock ACS Low Carbon Tracker Fund	218,662	24.0
-	-	Harbour Vest - Private Equity Fund	47,492	5.2
381,264	47.0	WPP Global Opportunities Fund	413,730	45.4

Basis for Estimating Assets and Liabilities

Liabilities have been assessed on an actuarial basis using the projected unit credit method, an estimate of the pensions that will be payable in future years dependent on assumptions about mortality rates, salary levels, etc. Both the Local Government Pension Scheme and discretionary benefits liabilities have been assessed by AON Hewitt, an independent firm of actuaries, estimates for the City and County of Swansea Pension Fund being based on the latest full valuation of the scheme as at 31st March 2020.

The significant assumptions used by the actuary have been:

Local Government Pension Scheme	Discretionary Benefit Arrangements		Local Government Pension Scheme	Discretionary Benefit Arrangements
2020/21			2021/22	
		Mortality Assumptions:		
		Longevity at 65 for Current		
22.3	22.3	Men	22.1	22.1
24.3	24.3	Women	24.2	24.2
		Longevity at 65 for Future		
23.3	-	Men	23.2	-
25.8	-	Women	25.7	-
		Rate of Inflation:		
2.7%	2.7%	CPI	3.0%	3.0%
4.2%	-	Rate of Increase in Salaries	4.5%	-
2.7%	2.7%	Rate of Increase in Pensions	3.0%	3.0%
2.1%	2.1%	Rate for Discounting Scheme	2.7%	2.7%

NOTES TO THE ACCOUNTS

Sensitivity Analysis

The estimation of the defined benefit obligations is sensitive to the actuarial assumptions set out in the table above. The approximate impact of changing the key assumptions on the present value of the funded defined benefit obligation as at 31st March 2022 and the projected service cost for the year ending 31st March 2023 is set out below:

Discount Rate Assumption

Adjustment to Discount Rate	+0.1% p.a.	-0.1% p.a.
Present Value of Total Obligation (£m's)	1,304.08	1,358.63
% Change in Present Value of Total Obligation	-2.0%	2.1%
Projected Service Cost (£m's)	51.50	55.18
Approximate % Change in Projected Service Cost	-3.4%	3.5%

Rate of General Increase in Salaries

Adjustment to Salary Increase Rate	+0.1% p.a.	-0.1% p.a.
Present Value of Total Obligation (£m's)	1,334.68	1,326.70
% Change in Present Value of Total Obligation	0.30%	-0.30%
Projected Service Cost (£m's)	53.31	53.31
Approximate % Change in Projected Service Cost	0.0%	0.0%

Rate of Increase to Pensions in Payment and Deferred and Rate of Revaluation of Pension Accounts Assumption

Adjustment to pension increase rate	+0.1% p.a.	-0.1% p.a.
Present Value of Total Obligation (£m's)	1,353.31	1,308.07
% Change in Present Value of Total Obligation	1.7%	-1.7%
Projected Service Cost (£m's)	55.18	51.50
Approximate % Change in Projected Service Cost	3.5%	-3.4%

Post Retirement Mortality Assumption

Adjustment to mortality age rating assumption	-1 year	+1 year
Present Value of Total Obligation (£m's)	1,377.26	1,284.12
% Change in Present Value of Total Obligation	3.5%	-3.5%
Projected Service Cost (£m's)	55.44	51.18
Approximate % Change in Projected Service Cost	4.0%	-4.0%

Asset Liability Matching Strategy

The City and County of Swansea Pension Fund has not formally adopted any asset liability matching strategies within its current statement of investment principles. The Pension Fund is an open defined benefit LGPS fund which is open to new membership. Noting the positive cash flow of the Fund at this present time, the Fund has adopted a medium/long term investment horizon in its allocation to growth assets, however, the need to meet on-going liabilities, is addressed by the allocation to cash distributing assets in the form of bonds, property and infrastructure.

NOTES TO THE ACCOUNTS

Impact on the Council's Cash Flows

The objectives of the scheme are to keep employers' contributions at as constant a rate as possible. The City and County of Swansea Pension Fund has agreed a strategy with the scheme's actuary to achieve a funding level of 100% over 22 years from 1st April 2017, funding levels are monitored to achieve this. Cash flows used in the valuation were estimated based on the 2019 actuarial valuation data provided.

The total contributions expected to be made to the Local Government Pension Scheme by the Council in the year to 31st March 2023 is £30.45m. Expected payments to beneficiaries of the discretionary benefits schemes in the year to 31st March 2023 are £0.92m for the LGPS Scheme and £1.63m for Teachers.

36. DISCLOSURE OF NATURE AND EXTENT OF RISK ARISING FROM FINANCIAL INSTRUMENTS

Key Risks

The Council's activities expose it to a variety of financial risks. The key risks are:

- Credit risk The possibility that other parties might fail to pay amounts due to the Council
- Liquidity risk The possibility that the Council might not have funds available to meet its commitments to make payments
- Market risk The possibility that financial loss might arise for the Council as a result of changes in such measures as interest rates movements.

Overall Procedures for Managing Risk

The Council's overall risk management procedures focus on the unpredictability of financial markets, and are structured to implement suitable controls to minimise these risks. Risk management is carried out by a central treasury team, under policies approved by Council in the treasury management strategy, annual investment strategy, capital strategy and minimum revenue policy report. The full report can be accessed on the Council's web site.

Credit Risk

Credit risk arises from deposits with banks and financial institutions, as well as credit exposures to the Council's customers.

This risk is minimised through the annual investment strategy, which is available on the Council website.

The key areas of the investment strategy in relation to minimum criteria for investment counterparties and investment limits are included within the Council Annual Investment Strategy.

The Council's maximum exposure to credit risk in relation to its investments in individual banks and building societies cannot be assessed generally as the risk of any institution failing to make interest payments or repay the principal sum will be specific to each individual institution. A minimal risk of irrecoverability applies to all of the Council's deposits and by adopting stringent investment criteria this risk continues to be minimised.

NOTES TO THE ACCOUNTS

No breaches of the Council's counterparty criteria occurred during the reporting period and the Council does not expect any losses from non-performance by any of its counterparties in relation to deposits and bonds.

The Council does not allow credit for its trade debtors. The following analysis shows the age profile of the due amounts:

31st Mar 2021 £000		31st Mar 2022 £000
3,085	Current - Up to One Month	3,081
1,069	One to Three Months	535
484	Three to Six months	1,072
534	Six Months to One Year	504
1,212	More than One Year	1,551
6,384	Total	6,743

Liquidity Risk

The Council has a comprehensive cash flow management system that seeks to ensure that cash is available as needed. If unexpected movements happen, the Council has ready access to borrowings from the money and the Public Works Loan Board. There is no significant risk that it will be unable to raise finances to meet its commitments under financial instruments.

Refinancing and Maturity Risk

The Council maintains a significant debt and investment portfolio. Whilst the cash flow procedures above are considered against the refinancing risk procedures, longer term risk to the Council relates to managing the exposure to replacing financial instruments as they mature. This risk relates to both the maturing of longer term financial liabilities and longer term financial assets.

The approved treasury indicator limits for the maturity structure of debt and the limits placed on investments placed for greater than one year in duration are the key parameters used to address this risk. The Council approved treasury and investment strategies address the main risks and the central treasury team address the operational risks within the approved parameters.

The maturity analysis of financial liabilities (excluding interest) is as follows:

31st Mar 2021 £000		31st Mar 2022 £000
(2,572)	Less than 1 Year	(28,225)
(26,651)	Between 1 and 2 Years	(7,144)
(13,556)	Between 2 and 5 Years	(8,490)
(2,175)	Between 5 and 10 Years	(14,861)
(256,659)	More than 10 Years	(251,797)
(301,613)	Total	(310,517)

NOTES TO THE ACCOUNTS

Market Risk

Interest Rate Risk – the Council is exposed to interest rate movements on its borrowings and investments. Movements in interest rates have a complex impact on the Council, depending on how variable and fixed interest rates move across differing financial instrument periods. For instance, a rise in variable and fixed interest rates would have the following effects:

- Borrowings at variable rates – the interest expense charged to the surplus or deficit on the provision of services will rise;
- Borrowings at fixed rates – the fair value of the liabilities borrowing will fall ;
- Investments at variable rates – the interest income credited to the surplus or deficit on the provision of services will rise
- Investments at fixed rates – the fair value of the assets will fall.

Borrowings are not carried at fair value on the balance sheet, so nominal gains and losses on fixed rate borrowings would not impact on the surplus or deficit on the provision of services or other comprehensive income and expenditure. However, changes in interest payable and receivable on variable rate borrowings and investments will be posted to the surplus or deficit on the provision of services and affect the general fund balance.

The Council has a number of strategies for managing interest rate risk. The annual treasury management strategy draws together Council's prudential and treasury indicators and its expected treasury operations, including an expectation of interest rate movements. This strategy is used to set a treasury indicator which provides maximum limits for fixed and variable interest rate exposure. The central treasury team will monitor the market and interest rate forecasts during the year and adjust exposures appropriately. For instance during periods of falling interest rates, and where economic circumstances make it favourable, fixed rate investments may be taken for longer periods to secure better long term returns, similarly the drawing of longer term fixed rates borrowing would be postponed.

If all interest rates had been 1% higher (with all other variables held constant) the financial effect at 31st March would be:

	31st Mar 2022 £000
Increase/Decrease in Interest Received and Credited to the CIES	440
Increase/Decrease in External Interest Payable and Debited to the CIES	3,041

Price Risk – The Council does not invest in equity shares or marketable bonds.

NOTES TO THE ACCOUNTS

37. LOCAL TAXATION

Council Tax

Council tax is the current form of local taxation for domestic properties. All domestic properties are placed into one of nine valuation bands according to their open market value at 1st April 2003. The average amount of council tax for a property in Band D in 2021/22 was £1,996. This was calculated by dividing the amount of council tax required by Neath Port Talbot Council, each community council, and the South Wales Police Authority by the council tax base of 48,163 (which is the number of properties we collect council tax from, adjusted by discounts etc., and converted to the equivalent number of band d properties). The amounts for properties in other bands are calculated by multiplying the band d figure by the relevant multiplier in the table below:

Band	A	B	C	D	E	F	G	H	I	Total
Multiplier	6/9	7/9	8/9	9/9	11/9	13/9	15/9	18/9	21/9	
No. of Chargeable Dwellings	13,132	26,442	11,335	7,096	4,344	1,371	511	93	17	64,341

Significant Precepts or Demands

An element of the council tax bill relates to funding which is paid over to other organisations. The main demands and precepts were:

Town or Community Councils	2021/22 £000
Blaengwrach	49
Blaenhonddan	230
Briton Ferry	165
Cilybebyll	100
Clyne and Melincourt	24
Coedffranc	410
Crynant	53
Cwmllynfell	41
Dyffryn Clydach	51
Glynneath	211
Gwaencaegurwen	106
Neath	400
Onllwyn	24
Pelenna	40
Pontardawe	196
Resolven	58
Seven Sisters	50
Tonna	44
Ystalyfera	79
	2,331
Other Levies and Demands	
Police and Crime Commission for South Wales	13,858
Fire Authority	8,179
	22,037

NOTES TO THE ACCOUNTS

Business Rates

Non domestic rates are calculated by multiplying a property's rateable value by the rating multiplier (or rate in the pound). Rateable values are determined by the Valuation Office Agency and the multiplier is set by the Welsh Government. The multiplier for 2021/22 was 53.5p (2020/21 53.5p). The Council is responsible for collecting rates due from businesses in its area but pays the proceeds into the NNDR pool administered by the Welsh Government. The Welsh Government redistributes the sums payable back to local authorities on the basis of a fixed amount per head of population.

In 2021/22, the total non-domestic rateable value at the year-end was £103.551m (2020/21 £103.935m).

38. COVID 19

2021/22 has been another extraordinary year due to Covid-19, and the past 24 months has had an extensive impact on communities, our local economy and the way in which the Council works. During 2021/22 The Welsh Government and Health have provided financial support to the Council to fund our activities and support our communities and businesses totalling £32.982m.

The council were also responsible for receiving and distributing Personal Protective Equipment (PPE) to both internal and external care providers. This PPE was provided nil of charge to the council by the Welsh Government / health services. The majority of this PPE was distributed to outside care providers with only an immaterial amount being utilised by the council. Due to the immaterial nature of the costs these have not been included in accounts.

The following table shows that the Council was reimbursed £15.471m by the Welsh Government and £5.097m from other local public bodies to cover increased service costs and also loss of income.

2021/22	Expenditure	Income	Income Other Public Bodies
	£000	£000	£000
Reimbursement of Additional Expenditure incurred	6,277	(11,436)	0
Reimbursement- Loss of Income	0	(3,547)	0
Business Grant Administration	0	(488)	0
Track Trace Protect (TTP)	5,097	0	(5,097)
	11,374	(15,471)	(5,097)

NOTES TO THE ACCOUNTS

The Council also administered schemes on behalf of the Welsh Government as an Agency service to pay grants to businesses and individual recipients totalling £12.414m.

2021/22	Expenditure	Income
	£000	£000
Business Restrictions Grant	2,005	(2,005)
Discretionary Grant	110	(110)
Freelance Grants	22	(22)
Social Care Recognition Scheme	5,074	(5,074)
Social Care Sick Pay Scheme	293	(293)
Self Isolation Grant	2,761	(2,761)
Winter Fuel Grant	2,149	(2,149)
	12,414	(12,414)

39. ANNUAL GOVERNANCE STATEMENT

The Council is required by statute to provide an Annual Governance Statement that covers all significant corporate systems, processes and controls, spanning the whole range of its activities. It is signed by the Council's Leader and Chief Executive and approved by Cabinet.

The Independent Auditor's Report of the Auditor General for Wales to the Members of Neath Port Talbot County Borough Council

Opinion on financial statements

I have audited the financial statements of Neath Port Talbot Council for the year ended 31 March 2022 under the Public Audit (Wales) Act 2004.

Neath Port Talbot Council's financial statements comprise the Expenditure and Funding Analysis, the Movement in Reserves Statement, the Comprehensive Income and Expenditure Statement, the Balance Sheet, the Cash Flow Statement and the related notes, including a summary of significant accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and UK adopted international accounting standards as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2021-22.

In my opinion the financial statements:

- give a true and fair view of the financial position of Neath Port Talbot Council as at 31 March 2022 and of its income and expenditure for the year then ended; and
- have been properly prepared in accordance with legislative requirements and UK adopted international accounting standards as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2021-22.

Basis of opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK (ISAs (UK)) and Practice Note 10 'Audit of Financial Statements of Public Sector Entities in the United Kingdom'. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I am independent of the Neath Port Talbot Council in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Conclusions relating to going concern

In auditing the financial statements, I have concluded that the use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work I have performed, I have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on Neath Port Talbot Council's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from when the financial statements are authorised for issue.

My responsibilities and the responsibilities of the responsible financial officer with respect to going concern are described in the relevant sections of this report.

The Independent Auditor's Report of the Auditor General for Wales to the Members of Neath Port Talbot County Borough Council

Other Information

The other information comprises the information included in the annual report other than the financial statements and my auditor's report thereon. The Responsible Financial Officer is responsible for the other information contained within the annual report. My opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in my report, I do not express any form of assurance conclusion thereon.

My responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

I have nothing to report in this regard.

Report on other requirements

Opinion on other matters

In my opinion, based on the work undertaken in the course of my audit:

- the information contained in the Narrative Report for the financial year for which the financial statements are prepared is consistent with the financial statements and the Narrative Report has been prepared in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2021-22.
- The information given in the Annual Governance Statement for the financial year for which the financial statements are prepared is consistent with the financial statements and the Annual Governance Statement has been prepared in accordance with guidance.

Matters on which I report by exception

In the light of the knowledge and understanding of Neath Port Talbot Council and its environment obtained in the course of the audit, I have not identified material misstatements in the Narrative Report or the Annual Governance Statement.

I have nothing to report in respect of the following matters, which I report to you, if, in my opinion:

- adequate accounting records have not been kept, or returns adequate for my audit have not been received from branches not visited by my team;
- the financial statements are not in agreement with the accounting records and returns; or
- I have not received all the information and explanations I require for my audit.

The Independent Auditor's Report of the Auditor General for Wales to the Members of Neath Port Talbot County Borough Council

Responsibilities

Responsibilities of the responsible financial officer for the financial statements

As explained more fully in the Statement of Responsibilities for the Statement of Accounts set out on page 9, the responsible financial officer is responsible for the preparation of the statement of accounts which give a true and fair view, and for such internal control as the responsible financial officer determines is necessary to enable the preparation of statements of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the statement of accounts, the responsible financial officer is responsible for assessing Neath Port Talbot Council's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. I design procedures in line with my responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

My procedures included the following:

- Enquiring of management and those charged with governance, relating to Neath Port Talbot Council's policies and procedures concerned with:
 - identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
 - detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud; and
 - the internal controls established to mitigate risks related to fraud or non-compliance with laws and regulations.
- considering as an audit team how and where fraud might occur in the financial statements and any potential indicators of fraud. As part of this discussion, I identified potential for fraud in the following areas: revenue recognition and posting of unusual journals; and

The Independent Auditor's Report of the Auditor General for Wales to the Members of Neath Port Talbot County Borough Council

- obtaining an understanding of Neath Port Talbot Council's framework of authority as well as other legal and regulatory frameworks that Neath Port Talbot Council operates in, focusing on those laws and regulations that had a direct effect on the financial statements or that had a fundamental effect on the operations of Neath Port Talbot Council.

In addition to the above, my procedures to respond to identified risks included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with relevant laws and regulations discussed above;
- enquiring of management and the Governance and Audit Committee about actual and potential litigation and claims;
- reading minutes of meetings of those charged with governance, the Cabinet and the Council; and
- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

I also communicated relevant identified laws and regulations and potential fraud risks to all audit team members and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

The extent to which my procedures are capable of detecting irregularities, including fraud, is affected by the inherent difficulty in detecting irregularities, the effectiveness of Neath Port Talbot Council's controls, and the nature, timing and extent of the audit procedures performed.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Certificate of completion of audit

I certify that I have completed the audit of the accounts of Neath Port Talbot Council in accordance with the requirements of the Public Audit (Wales) Act 2004 and the Auditor General for Wales' Code of Audit Practice.

Adrian Crompton
Auditor General for Wales
13 January 2023

24 Cathedral Road
Cardiff
CF11 9LJ

The maintenance and integrity of the Neath Port Talbot County Borough Council's website is the responsibility of the Intranet Administrator; the work carried out by the auditors does not involve consideration of these matters and, accordingly, the auditors accept no responsibility for any changes that may have occurred to the financial statements since they were initially presented on the web site.

GLOSSARY OF TERMS

This glossary of terms has been prepared on the basis that a basic knowledge of accountancy terms is held. It provides a description of specialist terms relating to local government finance.

Audit Wales	Previously Wales Audit Office (WAO) - A body that independently examines the activities of the Council.
Accumulated absences	The Code of Practice requires an adjustment for accumulated absences which gives a monetary value to the cost of holidays accrued by staff but not taken at the end of the financial year. The net effect of this adjustment is reversed from the accounts.
Actuary	An actuary is someone who works with complex mathematical models to predict the likelihood of future years. Their skills are used to work out insurance and pension fund valuations, taking into account relevant factors such as trends in insurance claims and life expectancy.
Cash flow statement	This statement summarises the movements in cash during the year for both revenue activities and capital activities.
CIPFA/LASAAC	CIPFA/LASAAC is the body that sets the Code of Practice on Local Authority Accounting in the United Kingdom.
Comprehensive income and expenditure statement	This accounts records day to day spending and income on items such as salaries and wages, the running costs of services and the financing of capital expenditure. It shows the accounting cost in the year, in accordance with generally accepted accounting practices, rather than the amount to be funded from taxation.
Componentisation	Accounting standards require that assets are split into separate components where there are significant differences in the life of elements of the assets which would have a significant effect on the depreciation costs.
Contingent asset	This is a possible asset that arises from past events but whose existence will only be confirmed after an uncertain future.
Contingent liability	This is a possible obligation that may arise from past events and whose existence will be confirmed by the occurrence of uncertain future events.
Expenditure and funding analysis	This analysis is designed to provide a more direct link between the Council's budgeted spend and the figures reported under generally accepted accounting practices. It provides a link between management information and the figures included in the Comprehensive Income and Expenditure Statement.
Fair value	This is the estimated value of an asset or liability at the balance sheet date. The fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

GLOSSARY OF TERMS

Financial instruments	This relates to any contract which gives rise to a financial asset in one organisation and a financial liability or equity instrument of another. A collective name for investments, trade debtors and borrowings.
General fund balance	This represents the cumulative retained surpluses on the Council's revenue budget. It includes reserves the Council has earmarked to fund its plans as well as a cushion against unexpected events or emergencies. The level of the balance is considered as part of the annual budget process each year.
Impairment	This happens when fixed asset or investment values change significantly due to changes in circumstances. It can occur if there is a significant change in a fixed asset's market value or significant physical damage such as fire. The cost of impairment is charged to the revenue account in the year it occurs.
Minimum revenue provision (MRP)	A minimum annual charge that has to be made to the revenue accounts to systematically reduce the principal element of loans which have been raised and used to pay for capital schemes.
Movement in reserves statement	This statement shows the movement in the year on the different reserves held by the Council, analysed between the usable reserves which can be applied to fund expenditure or reduce local taxation and other reserves and the unusable reserves which cannot be utilised in this way.
National non domestic rates (NNDR)	Also known as the Business Rate, it is the charge occupiers of business premises pay which is collected by this Council and paid to the Welsh Government for reallocation. The charge is based on the rateable value of the business premises.
Pension reserve	The Pensions Reserve absorbs the timing differences arising from the different arrangements for accounting for post-employment benefits (pensions) and for funding benefits in accordance with statutory provisions.
Pooled budgets	These are budgets which are joined up across differing organisations with similar objectives and used to ensure improvements through coordinating expenditure.
Precepts	Precepts are levied on the Council by non-billing organisations such as the police and community councils to enable them to cover their costs in the performance of their services or duties.
Provision	This is an amount set aside in the accounts for a past event which is likely or certain to result in a financial cost some time in the future, though the exact amount and date may be uncertain.

GLOSSARY OF TERMS

Public Works Loans Board (PWLB)	This is a Government Agency which provides longer term loans to local authorities.
Related party transactions	These are disclosed to highlight any relationships that may exist between the Council and third parties who may materially affect or influence the way the Council or third parties are able to operate.
Reserves	These are sums set aside to meet future expenditure. This Council splits the total reserve to show those earmarked to fund specific expenditure and those held to fund non-specific future expenditure in the general reserve.
Revaluation reserve	This reserve is used to record gains in fixed asset values as a result of formal revaluations of the Council's fixed assets.
Revenue expenditure funded from capital under statute	This represents revenue expenditure which the Council is allowed to apply to Capital under statutory provisions. It does not result in fixed assets controlled by the Council.
Revenue Support Grant/NNDR	This is general government grant in support of local council services which is paid by the Welsh Government. The distribution of this grant tries to take account of the differing needs in each Council.
Service concession	A service concession arrangement arises when a Council grants a contract to a supplier who provides or maintains capital assets on the Council's behalf, which revert to the Council's ownership at the end of the contract. The grantor regulates the services the operator must provide using the assets and also controls any significant residual interest in the assets at the end of the term of the arrangement.
The Code of Practice	The Code of Practice incorporates guidance in line with IFRS, IPSAS and UK GAAP accounting standards. It sets out the proper accounting practice to be adopted for the Statement of Accounts to ensure they 'present fairly' the financial position of the Council.

Note: values throughout these accounts are presented rounded to whole values as shown throughout the accounts. Totals in supporting tables and notes may not appear to cast, cross-cast, or exactly match to the core statements or other tables due to rounding differences.
