The Welsh Assembly Government established a specific body known as the Independent Remuneration Panel for Wales to determine the appropriate remuneration for the role of a councillor in Wales. The Neath Port Talbot Allowance Scheme is based on the recommendation of this independent panel. Members Allowances are subject to Income Tax and National Insurance deductions. Councillors of the Authority are responsible for a gross budget of £395m. Besides their key Constituency role which is undertaken at any time of the night or day, Councillors participate in the governance of the County Borough; contribute actively to the formation and scrutiny of the Council's policies, budget and delivery of services; champion the interests of the County Borough; and lobby for improvements in the quality of life of their community. Services run by the Council are used by everyone every day.
