Describe briefly the general nature ★ of the performances in which the animals are to be exhibited or for which they are to be trained, mentioning any apparatus, which is used for the purpose of the performance.

★ The description must be sufficient to give a general idea of what is done by the animals taking part in the performance, and should state the approximate duration of the performance, and the number of times for which it is usually to be given in one and the same day, and the number of animals of each kind taking part in the performance. It need not give details, which would divulge any professional secret.

Planning Consent Declaration

It is likely that a premises which holds a performing animals registration will also require planning permission, it is therefore essential that you make enquiries at the earliest opportunity with the planning department.

I am aware that planning permission may be required in addition to a performing animals registration and that I will make the necessary enquiries with the planning department.

I understand I can not operate until I have been granted a performing animals registration and a planning consent (if applicable).
