Dear Alun

Thank you for submission of your Gypsy and Traveller Accommodation Assessment for consideration by the Welsh Ministers. I have now considered the Assessment and approved its content, in accordance with section 102 of the Housing (Wales) Act 2014. The Council is required to publish its approved Assessment.

The Assessment indicates a surplus of 3 pitches in the period up to 2021 and the need for 4 pitches in the Local Development Plan period. I would urge the Council to exercise caution in relation to addressing the surplus pitches given the longer term identified need.

This round of GTAA's represents the first time that the new methodology for assessing accommodation needs, as set out in the Welsh Government's 'Undertaking Gypsy and Traveller Accommodation Assessments Guidance', has been applied. The Guidance will be reviewed in 2018, and in advance of this, an online survey will be undertaken by the Welsh Government in order to gather the views and comments of local authorities and others who were involved in this round of GTAA's. The responses to the survey will inform the review of the Guidance.

I note that in establishing a growth rate figure, for the purpose of estimating future need, the Council had regard to estimated dissolution over a five year period, which is over and above that envisaged by the Guidance. Whilst this has not affected my approval of the Assessment, my officials will further consider the Guidance in this regard as part of its review in 2018.
