What is the Play Takeaway?

Do your children get bored of playing with the same things at home?

- The Play Takeaway is a **FREE** play resource service for families living in Neath Port Talbot – similar to your local library.
- Save your pennies and borrow from our wide variety of play equipment to help encourage your children to learn and develop essential life skills.
- Simply borrow play equipment from two themes of play equipment at a time and once you've finished experimenting with them, you can swap them for something else!

How does it work?

- Register to use the **FREE** Play Takeaway service.
- Tell us what themes you would like to explore with your child/children. You can request a bag online, email or by phone.

- We will put together a customised bag for your needs.
- Arrange for us to deliver it to you for free or you can collect it.
- Once you are done having fun, contact us to arrange free collection.
- Book your next play bag not to miss out.
