

Drug and Alcohol Prevention Service

WHAT IS D.A.P.S.?

D.A.P.S. is a new Families First funded project, set up to minimise the harm of alcohol and drug use.

We are a team, working with families in Swansea, giving advice and guidance related to drugs and alcohol.

Our focus is to strengthen and support families in the Swansea area by helping them achieve positive outcomes, build confidence, reduce isolation and make positive changes.

We are able to work with families, wherever is most accessible and suitable for them, this can include, home or school visits, as well as community and family centres.

We will accept self referrals as well as referrals from ANY partner agency.
