| The Welsh Assembly Government established a specific body known as the Independent Remuneration Panel for Wales to determine the appropriate remuneration for the role of a Councillor in Wales. The Neath Port Talbot's Member Remuneration Scheme is based on the recommendation of the Independent Panel. | | | | | | |
| Members Allowances are subject to Income Tax and National Insurance deductions. Councillors of the Authority are responsible for a gross revenue & capital budget of £465m. Besides their key Constituency role which is undertaken at any time of the day or evening, Councillors participate in the governance of the County Borough; contribute actively to the formation and scrutiny of the Council's policies, budget and delivery of services; champion the interests of the County Borough; and lobby for improvements in the quality of life of their community. Services provided by the Council are used every day of the year. | | | | | | |
